

Rental Guest Policies

For:

We at Camp Lutherhoma would like your stay with us to be as pleasant as possible for you. In order to ensure this we ask that you and your group be respectful of camp and its property. As the saying goes, 'Take only pictures. Leave only footprints.'

Your retreat host will inform you if there is another group on camp during your stay. In the event that there is, we ask that you be respectful of them and the program that they are running. This may include sharing recreation equipment, sharing pool time, and being quiet at night so as not to disturb a group that is getting up early the next day. As Christ told us in Luke 6:31, 'Do to others as you would have them do to you.' Here are a few specific policies that may or may not apply to your group:

Alcohol - Responsible use of alcohol by adults age 21 or older is permitted on camp, but must be cleared with the Camp Director first.

Campfires - Please contain fires to designated fire rings. Do not leave fires unattended. Schedule your campfire site and time with the camp staff in advance.

Challenge Course - The Group Initiative Course (GIC - our challenge course program) is reserved for those who are being led by the Camp Lutherhoma staff as part of their retreat. Accompaniment by a Camp Lutherhoma staff member is required when using the elements or equipment. Please stay away from the course elements or equipment if not supervised by the Camp Lutherhoma staff.

Damage - Please report any damage to the facilities or to camp equipment to the Camp Lutherhoma staff.

Nature - Nature is God's Creation, please treat it with respect.

Pool - If you are scheduled to use the pool, you are responsible for the lifeguarding of your participants, locking the pool gate when leaving, and cleaning up the pool area. You must have adult supervision whenever anyone is in the pool area.

Smoking is not permitted inside buildings at any time.
