# WELCOME TO OAKRIDGE

Thank you for participating in our 2026 I AM camps at Oakridge! We have been doing camp ministry since 2000 and are honored to serve you this summer. Our goal is to take care of **everything** (food, games, chapels, shirts), so you can focus on building relationships with your campers, ministering to them, and supervising them. We are praying for God to do amazing things at camp!

# BEFORE CAMP

## To Register

Contact our camp office at 405-247-5433 or email [admin@oakridgecamp.com](mailto:admin@oakridgecamp.com) concerning the reservation process. Please read through this entire guide. You will be sent a reservation contract for your projected group size. To reserve your spots, you will need to return a signed reservation contract and a 25% fully non-refundable deposit. The entire deposit amount will be applied toward your final bill. If you need more spots than what you originally reserved, please contact us as soon as possible. Guests will be added on a first come/first serve basis depending on available space. You may be eligible for discounts like: early registration, group size, or multiple groups.

## To Promote

We will mail you complimentary promo materials, like flyers, rack cards and posters. There is also a promotional video available on our website. Logo art can be emailed to you.

## Registration/Release Form

No later than two weeks before camp, every participant will need to have a signed WAIVER form that serves as a release of liability and clarifies the guest's emergency contact. Guardians must sign for minors. We need this form completed **two weeks in advance** to make nametag lanyards. Guests cannot check in without this completed form. We will email you a specific link for your group—please contact us if you have not received it! Every member must complete the online waiver or be charged a \$2/person fee to use the paper form (must be signed by guardian in advance). See required forms section for more information.

## Final Group Size and Payment

You must submit a final number of both male and female minors and adults in your group no later than two weeks in advance of your session. Our admin staff may ask for final numbers earlier than two weeks before if your session has maxed out capacity. Please use the online form on your camp account. This is the minimum amount you will need to pay for. We will send you an invoice once you have submitted the final number, and that will be the final amount you are responsible to pay one week before camp. After the confirmed number two weeks in advance, we will not reduce your final bill for drops in group size for any reason. When you give your final number, please let us know if we should include on the invoice Snack Shack and Gift Shop fees, any Adventure activities like the Zip Line, Arrow Tag, Laser Tag, and any fees for extra guests or lodging upgrades. Your bill will increase if you bring additional persons. Any late registrants (within two weeks of the start of camp) will be billed at your camp rate plus a \$20 late registration fee and will be added on a first come/ first serve basis. In lodging areas, we may add a cot or floor mattress to your dorm if your late registrants exceed number of beds in your dorm room.

## Sponsors

We require a ratio of at least 1 adult sponsor for every 9 campers. More trusted adults are suggested. Your group's sponsors are responsible for all oversight of your campers, including night lodging. Oakridge staff will lead games, activities and chapel services so that your sponsors can focus on building relationships with the campers and overseeing their safety. These must be 18+ adults that have been screened by your church. You must submit background checks to Oakridge for all adults attending with your group. If needed because of work schedules, sponsors can switch out during the week with a replacement. If you cannot meet the 1:9 ratio, please contact us about securing one of our staff to be a substitute sponsor for your group. Additional charge of \$25 per camper per night will apply for Oakridge to supply oversight, and is limited in availability.

# BEFORE CAMP

## Background Checks

Every Adult Sponsor coming to camp to supervise minors and lodge in Oakridge facilities must have had a national criminal background check before coming to camp, within two years from the date of the camp event, unless the sponsor has been serving continuously at your church since the background check on file. You will turn in a form two weeks before camp stating that your organization has 1) Performed a criminal background check to include a cross-check on the National Sex Offender Register website on all adults listed on the attached “Attending Adult Sponsor List” page; 2) Determined that these adults meet the requirements of Oakridge and your group for proper supervision of minors; 3) Verify that all adults attending with our group have no record of any crimes against children or violent crimes.

## Health

**Lice & Bedbugs:** Encourage parents of children to check their campers for head lice and bed bugs two weeks before camp and the day before departure. A two week check will help them be treated in time for camp. Campers will need to be sent home if a case of lice is discovered.

**Illness:** No camper should attend camp or attempt to check-in if they are sick, including illnesses with symptoms like vomiting, coughing, diarrhea or fever over 100 degrees.

**Medication:** Group leaders are responsible for first aid, medical decisions and medication administration for their group. There are generally no nurses provided by Oakridge Camp. We encourage you to bring your own camp nurse/care-giver for your group to care for your guests and dispense medication as necessary. Should your care-giver need assistance, there are on-site staff certified through the Red Cross in First Aid & CPR. If you need assistance administering medication to any campers, please contact us in advance.

**Lifeguards:** Oakridge lifeguards will oversee the pool every time it is open during your stay. Our lifeguards are certified through the Red Cross. Waterslide is overseen by trained staff.

**Emergency situations:** The closest hospital is 5 miles away—Rural Wellness Anadarko. In case of emergency, the Camp Director and group leader should be contacted immediately. Oakridge staff members certified in First Aid/CPR will be available. The group leader should contact the campers’ parents to determine the next step for serious or non life-threatening conditions. Oakridge Management reserves the right to call 911 if needed.

**AED:** There is an AED on camp.

## Additional expenses

**Snack Shack/Gift Shop Money:** We encourage guests to check in their money on a Camper Account to prevent loss or theft, but it is not a requirement. \$10 per person per day is recommended. You can send the camp office a list of names and money amounts before camp starts (recommended), or on the first day of camp bring it in envelopes with each camper’s full name and your group name. Oakridge has a no refund policy for Camper accounts.

**Adventure Activities:** Please see your reservation contract for additional activity fees. You can encourage your campers to bring extra money for these activities to check in to their Camper Account, or add them to your final group invoice. Money added to Camper Accounts can be used to pay for Adventure Activities, but will not be refunded.

# AT CAMP

## What time is check-in and check-out?

No Camper or Leader may arrive before 3pm on arrival day (for 4 & 5 day camps), unless special permission has been granted in advance. 3-Day camps being at 2pm on Friday.

For 4 & 5-Day camps, check-in is on Day 1 from 3-4 pm and is normally held at the main camp Dining Hall. Please do not arrive any earlier than 3pm; early check-in is not allowed. Check-out is 10am on the last day. Please have your pick-up transportation be prompt.

For 3-Day camps, check-in is on Day 1 from 2-3pm and is normally held at the main camp Dining Hall. Please do not arrive any earlier than 2pm; early check-in is not allowed. Check-out is 2pm on Day 3. Please have your pick-up transportation be prompt.

## When You Arrive

Check-in will happen at the Main Dining Hall unless redirected (secondary location is typically the Main Chapel). Your main group leader can come in first to confirm the final payment, confirm the submission of all liability waivers, and turn in any Camper Account money. You will receive a list of instructions to share with campers. You can then lead all campers to their dorms; after they unpack they can go outside to enjoy activities! A full orientation and team division will happen on the first day of camp during the main orientation. The orientation is mandatory for all campers and adults.

## Bunking Information

All same gender guests in your group will stay in the same dorm area based on biological gender. You will probably share the dorm building and bathroom area with other churches, but your room will be private to your group, unless otherwise indicated.

## Team Information

Your sponsors and campers will be pre-assigned a color team one week before camp. This is for the purpose of team competitions (generally just one hour each morning, and a couple special activities), and small group discussion. We encourage bringing team spirit gear!

## Church Chat

We generally set aside 15-20 minutes each day for you to lead your group in a private debrief or study time. Oakridge will provide suggested material, or you can feel free to lead this time however you desire. This is a good time for you to clarify things from the chapel service and debrief if desired.

## Visitors

Parents and guests of your church are generally welcome to come to evening chapel services only free of charge. Group leaders should notify Oakridge in advance of how many to expect and we will give the group leader visitor's wristbands and/or guidance. If any guests desire to participate in any meals or camp activities apart from the free evening chapel service, there will be a fee. See your reservation contract for activity and meal expenses. Contact our office for lodging costs.

# AT CAMP

## Chapel Services

We generally do chapel services once in the morning and once in the evening. The speakers and band are normally provided from our staff team. Please call if you have any questions about the speaking and worship! Our theme for 2026 is I AM. We strive to be Bible-based and evangelistic/ basic discipleship oriented. We generally do not baptize new believers at camp - we encourage them to profess their faith in that manner at their home church.

## Activity Information

All Basic and Supervised activities are included in every camper's experience. Adventure Activities can be added for an additional fee. Please see your session overview list for these prices, and then determine if you will be paying for them as a group or individually. If your guests will be paying individually, please encourage them to bring cash or a credit card and they can sign up at check-in, or they will have opportunity to sign up at meal times. Campers can also use Camper Accounts to pay for activity fees. In case of rain, guests can play in the game room and a movie is often available in the Chapel or another meeting room.

## Leaving Early

In case of sickness, injury, or dismissal due to behavioral problems or homesickness, camp fees will not be refunded. In general, there are no discounts available for guests who do not eat the meals, participate in planned activities, or choose to arrive late or leave early. Call our office, 405-247-5433, for pre-arranged exceptions.

## Lost & Found

Oakridge keeps lost and found items for 2 weeks after your event ends. We do not keep certain items, such as towels, underwear and socks. You can submit a lost and found request on the website at [oakridgecamp.com/contact](http://oakridgecamp.com/contact) for most items, or call us about emergency items (wallet, medications, etc). Shipping costs will be at your own pre-paid expense or you can pick it up. Items are generally disposed of or given away after 2 weeks if not claimed.

## Storms

Oakridge does not have an underground shelter. In the event of an emergency, we recommend that all guests go to a building with lower level concrete block construction. These will include: the small dining hall, Matthew dorm, central restroom, Esther dorm, pool restroom, west dining hall, west chapel, and Ruth dorm. Oakridge staff will notify all group leaders in the event of a severe weather alert.

## Directions

We are about 45 minutes from Lawton, 1.25 hours from OKC, 2.5 hours from Tulsa, and 3.5 hours from DFW. You can get specific written directions on our website, [OakridgeCamp.com](http://OakridgeCamp.com).

# AT CAMP

## Food service & Allergies

Oakridge has a set menu each week based on our agreement as a state summer food service vendor. If a guest has an allergy or dietary restriction, the safest course of action for campers is to get a copy of the menu before the session, determine what they can have from the planned menu, and bring along any desired food items to supplement. Oakridge provides a fridge and microwave access for these campers, but we cannot provide access to a full oven or stovetop. Please contact us to get a copy of the menu (generally about two weeks before your date). It is up to each camper and their adult counselor to avoid allergy inducing foods.

Visit [oakridgecamp.com/foodservice](http://oakridgecamp.com/foodservice) to access our summer menu to see meals that will normally be served each week. In late May we will post the daily menu for summer 2026.

## Camp Shirts

Camp shirts are distributed on a first-come, first-serve basis. You must turn in your final shirt size request no later than two weeks in advance of your session to get your shirts and secure proper sizes. We need final numbers turned in at this same time if not asked earlier. Please use the online form under the document center.

## Sponsor Information:

After the general orientation on check-in day, sponsors will participate in a special orientation to talk through any questions.

WiFi is available for sponsors, the network is OakridgeGuest, and the password is guest73005.

## Safety at Camp:

### In Dorms

TOILET STALLS & SHOWER STALLS are for one person only

BEDS are for one person only and should not be shared

DORMS - Campers should not be in dorm without an Adult Leader

CHANGING & NUDITY - The only place for nudity is showering in private or changing clothes in private stalls or changing areas. Campers and adults should not be naked, or reveal private body parts, in dorm rooms or any other camp space.

### In Relationships

SEXUAL TALK, TEXTS, or ACTS will not be permitted by anyone

VIOLENCE OR BULLYING will not be permitted by anyone

PROFANITY is not permitted at camp

### Getting Around

USE TRAM to get across the highway to activities; campers should not get close to the highway in front of the camp

GROUPS - Campers should be in groups of 3 or more, except when in a private stall or shower. One adult and one camper should not be alone. If personal conversations are needed to benefit the camper, they can take place in an area that is visible to others, but where the conversation can be private.

RUNNING AWAY - Campers should not run away from leaders or group activities. This is a serious safety issue and could result in the camper being sent home for their own safety.

# 2026 UPDATES

# OAKRIDGE PROGRAM

## DRESS CODE & CELL PHONE POLICY

Groups participating in Oakridge program events should fully communicate the dress code to students before they pack and arrive at camp. These guidelines are for Oakridge-led program events such as our overnight program camps, day camp, and winter camp.

### Dress Code

While at camp, we ask students and adults to:

- Wear longer shorts (beyond fingertip length or a 3.5-inch inseam). Do not wear pants or shorts with lettering on the bottom. Undergarments must always be fully covered.
- Not wear shirts that are low cut or have spaghetti straps, open backs or excessive armpit cutouts which expose torso, any cleavage or undergarments (except for sleep wear at night). Sleeveless shirts (that extend to shoulder seam) and tank tops (with straps at least 3 inches) are allowed during day-time activities. Large t-shirts that cover shorts should not be worn. Midriffs should always be covered (no crop tops that show skin).
- Wear shoes at all times while outdoors except for water activities. For team games and most recreation, wear closed-toe and closed-heel shoes.

### Swimwear

- Males should wear swim trunks that are not tight fitting. No speedos or shorter swimsuits.
- Females should wear modest, one-piece bathing suits or tankini two-piece that provide adequate coverage of bottoms and cleavage, or wear a dark colored t-shirt over swimsuits.
- Cover ups (shirts with swim trunks for males, long covering over swimsuits for females) must be worn walking to and from water activities, as well as shoes/flip flops.
- Group leaders should help their campers follow the dress code. T-shirts may be requested if needed.

Make sure no one packs anything that:

- Advertises alcohol, tobacco, or drugs; or questionable bands, movies or celebrities; or has inappropriate language.
- Explicitly or implicitly refers to sexual actions or situations or promotes racism, sexism, or hatred of any group or person.

NOTE: Adult leaders have the responsibility of modeling and monitoring their group to ensure students are dressing appropriately; and should be open to input from other group leaders and Oakridge management.

### Cell Phone Policy

We strongly encourage campers to eliminate or minimize cell phone usage. Many groups have their entire camp session with no phones. If cellphone usage is allowed by a group, phones may be taken away at group leader's or Oakridge leader's discretion based on misuse. We want to encourage friendship, Christian discipleship, and outdoor experiences! Our staff are not responsible for monitoring personal electronic usage or keeping track of devices. There is a zero tolerance policy for 1) viewing pornography/inappropriate images/videos at camp; 2) media that contains profanity; 3) using cell phones to receive or send content that is sexual or bullies any person.

See our "What to Bring List" for a suggested packing list, banned items, and our lost and found policy.

# CAMP CHECKLIST

## PRAY

- Pray for every aspect of camp throughout the entire process!

## PROMOTE CAMP

- Promote Camp: we can help you with videos and artwork. Posters and invite cards are normally sent out in the spring before camp.

## SIGN CAMPERS UP

- Every person coming must have a signed release of liability waiver to attend. Guardians must sign this, and we need the form completed no later than two weeks before camp so we can make nametags with the information.
- Collect money. Your group is responsible for collecting camp fees, and paying the deposit and final balance at the appropriate time. Make sure they understand that within a certain deadline (variable by camp date) their payments are fully non refundable.

## RECRUIT ADULT LEADERS

- Find trusted adults to be supervisors for your group. They will stay in the dorms and be responsible for supervision of your group. You need at least 1 adult for every 9 campers in both genders.
- Make sure all adults have been background checked, have references, and follow any of your organization's policies for screening adults who will be around minors.
- Make sure every adult also completes the online liability waiver with your group's link.

## FUNDRAISE

- Plan opportunities for campers to earn money for camp, like: meals, candy sales, service projects, car washes, yard sales, sponsorships from church members, etc.
- Let your church & community know of the need. Businesses and individuals love supporting young people, and some may be particularly passionate about camp.

# CAMP CHECKLIST

## COMMUNICATE DETAILS

- Share transportation, departure and arrival information with families
- Share What to Bring List
- Go Over Dress Code so guests know how to pack
- Share Theme Nights
- Talk about Snack Shack & Gift Shop money, and the extra fee Adventure Activities that are available during your session. Decide if you want to check in money to camper accounts.
- If desired, let parents know about gift shop pre-ordering - they can have a gift delivered to their camper while at camp. [OakridgeCamp.com/campstore](http://OakridgeCamp.com/campstore)

## FINAL REGISTRATION (normally 2 weeks before, unless session reaches capacity, then earlier)

- Send office your final attendance numbers (includes males & females in dorms, number of adults and minors, and any private rooms needed). Any cancellations after this date will still need to be paid in full. If space is available, campers can be added after this for your camp rate +\$20/person late registration. **Use Program Confirmation Form emailed to you.**
- Send office all shirt sizes. **Use Program Confirmation Form emailed to you.**
- Send office the signed background check form for all adults attending.

## FINAL PAYMENT (normally 1 week before, unless a session reaches capacity, then earlier)

- Make final payment
- Receive dorm assignments from Oakridge and make your camper lodging assignments
- Receive team color and communicate it to your group
- Come to camp and have a blast!

## ADULT BACKGROUND CHECK FORM

Sponsoring Group Name: \_\_\_\_\_

Phone #: \_\_\_\_\_ Address: \_\_\_\_\_

City: \_\_\_\_\_ ST \_\_\_\_\_ ZIP \_\_\_\_\_

Authorized Representative Signature: \_\_\_\_\_

Every Adult Sponsor coming to camp to supervise minors and lodge in Oakridge facilities must have had a criminal national background check before coming to camp, within two years from the date of the camp event, unless the sponsor has been serving continuously at your church since the initial check. That background check needs to have included a cross check of every Adult Sponsor with the National Sex Offender Website. Oakridge does not need copies of the actual background check. Two weeks before your camp date, you must turn in a form listing the Adult Sponsors you are bringing and stating they have been appropriately screened.

I, the Group Leader/Authorized Representative identified above, verify the following. I have:

- Performed a criminal background check to include a cross-check on the National Sex Offender Register website on all adults listed on the attached "Attending Adult Sponsor List" page;
- Determined that these adults meet the requirements of Oakridge and our group for proper supervision of minors;
- Verify that all adults attending with our group have no record of any crimes against children or violent crimes. If you have a situation that you need to discuss, call our camp director.
- Been thorough and complete in our background and relational checks of all specified attending adults;
- Been notified that I must present this document in its entirety to Oakridge a minimum of TWO WEEKS before our camp.

## ADULT BACKGROUND CHECK FORM

The Adult Sponsors (includes both paid and volunteer) named below are known to the staff or recognized leadership of the participating group, and the participating group knows of no reason why any should not serve as a sponsor for children and youth under the age of eighteen (18). The participating group confirms it has taken reasonable steps to confirm the individuals are not registered sex offenders by making inquiries to law enforcement officials and/or by checking [www.nsopr.gov](http://www.nsopr.gov) (the National Sex Offender Public Website). Sponsoring group warrants that it has used \_\_\_\_\_ company to perform nationwide criminal background checks on all Adult Sponsors within the last 24 months, unless the sponsor has been serving continuously since the initial check. The participating group warrants it has brought no Adult Sponsor not listed on this form. The participating group acknowledges that it is responsible for the supervision of all campers, and for a child protection policy that includes conducting background checks, following your group policies and Oakridge guidelines that ensure the safety of all participants.
