Program description:

It's a wonderful world out there! One that's bursting with all the lesbian lizards, trans fish, and pansexual apes your high school biology teacher somehow never mentioned to you. Want to discover nature's rainbow? Join zoo staff and animal guests for a fun and fabulous evening about animals in all their queer, poly, and genderfluid glory!

Also, in contrast to high school, you'll be able to buy cocktails, so adults 21+ only.

If you have any questions, please contact classes@zoo.org.

Cheers!
