

Can I write my camper a letter while they are at THCC?

Every camper loves getting mail. If you write to your camper, follow the template below:

“John Doe - Kids Camp”

The Retreat at Norwich Lake/THCC
128 Norwich Lake Huntington, MA, 01050

- We encourage children to write letters during their daily cabin time. If your camper would like to write letters home, please send pre-addressed, stamped envelopes and other stationary with your camper.
- Please **do not** send gum, candy, or food items as this attracts wildlife. There will be a small snack store at camp where campers can purchase a small amount of candy or snacks each afternoon.
