

Dear Corvallis Environmental Center Families,

We are so excited to have your child join us at Pedal Power!

**The Spring Conferences SOA will be based out of the Rotary Shelter at Willamette Park. Campers will have the opportunity to explore Willamette Park on bicycle.** Your child will be assigned a group and a specific drop off/pick up location. Further information will be provided in an additional email before the start of camp. Please read this letter carefully as some information may be unique to this camp.

**Camp runs on March 15-17 from 9am-3pm. Drop-off is between 8:45-9am.** Aftercare **will not** be provided for this camp session.

**What to Bring:**

Please wear and/or bring the following each day of camp (labeled with camper names):

- A two wheeled bike with tires suitable for varying terrains and functioning brakes. *No training wheels or Strider bikes.*
- A properly-fitting Helmet
- A spare bike tube that fits their bike (our instructors carry bike pumps and tire levers!)
- Weather appropriate clothing - Warm layers, rain pants, rain coat, gloves, ear warmer headband/hat. **Although we have reserved an outdoor shelter, campers must be prepared to be outside all day!**
- Sturdy closed toe shoes. No Crocs, flip-flops, or other unsecured, open-toed shoes while biking.
- 1-2 filled reusable water bottles** labeled with your child's name. Check for leaks. If possible, a water bottle holder/cage on bike.
- A filling morning snack and lunch. Campers will be active throughout the day
- A backpack or bag with extra socks, layers, and gear.

**Important Information:**

**-We will be following local guidelines regarding Covid-19 precautions.** More information will follow closer to the date of the camp. Thank you for helping keep us safe!

**-Please check to make sure authorized pickups have been updated** to your familys' UltraCamp registration account. We encourage carpooling, but anyone who may be picking up your child **MUST** be listed as an authorized pickup. Here is the [link to log into your family account](#) and add a person to your authorized pick-up list.

**-Requests for campers to be placed together in a group** **MUST** be submitted via email prior to March 8th. We understand that campers feel more comfortable when paired with a friend, and we are more than happy to accommodate these requests. Advanced notice is necessary for planning and administrative purposes.

-We request that you review our [Policies & Procedures](#) before camp begins for full details.

You may reach out with questions before camp to CEC's Camps Coordinator by emailing [camps@corvallisenvironmentalcenter.org](mailto:camps@corvallisenvironmentalcenter.org) or by calling **541-753-9211**.

Please let us know if you have any questions, comments or concerns. We look forward to seeing you and connecting your child with nature!
