

Dear Corvallis Environmental Center Families,

We are so excited to have your child join us at Technical Skills Bike Camp!

**Technical Skills Bike Camp will be based out of various locations throughout Corvallis. Campers will have the opportunity to strengthen their bike skills while exploring the city.** Further information will be provided in an additional email before the start of camp.

Please read this letter carefully as some information may be unique to this camp.

**PLEASE NOTE:** This camp is designed for bikers who already have the ability to ride independently on a pedal bike without training wheels. They already know how to safely start pedaling on the first try, and can safely stop using their brakes without skidding. This camp will help them develop the skills they need to get around corners, go up and down hills, and practice riding on various surfaces. **Please consider signing your child up for Let's Get Rollin' (6/19-6/23) if they are just learning to ride a pedal bike without training wheels.**

**Camp runs on 7/10-7/14 from 9am-3pm. Drop-off is between 8:45-9am. Aftercare will NOT be provided for this camp session.**

**Important Information:**

- **We will be following local guidelines regarding Covid-19 precautions.** More information will follow closer to the date of the camp. Thank you for helping keep us safe!
- **Please check to make sure authorized pickups have been updated** to your familys' UltraCamp registration account. We encourage carpooling, but anyone who may be picking up your child **MUST** be listed as an authorized pickup. Here is the [link to log into your family account](#) and add a person to your authorized pick-up list.
- **Requests for campers to be placed together in a group** **MUST** be submitted via email or through our registration platform prior to 7/3. We understand that campers feel more comfortable when paired with a friend, and we are more than happy to

accommodate these requests. Advanced notice is necessary for planning and administrative purposes.

- We request that you review our [Policies & Procedures](#) before camp begins for full details.

You may reach out with questions before camp to CEC's Camps Coordinator by emailing [camps@corvallisenvironmentalcenter.org](mailto:camps@corvallisenvironmentalcenter.org) or by calling **541-753-9211**.

**Please let us know if you have any questions, comments or concerns. We look forward to seeing you and connecting your child with nature!**
