Welcome to Camp Quest Arizona!

Thank you for choosing Camp Quest Arizona. This welcome packet has some important information for you and your camper(s).

Camp check-in at camp is on **Sunday, June 26, 2022**. PRIOR to arrival, there are forms that must be completed: All forms must be completed and uploaded in UltraCamp by **June 19, 2022**.

Without complete medical information, your camper(s) will not be admitted to camp. It is important that our medical staff have the opportunity to review your camper(s) forms *before* arrival. If you have any difficulties completing the information, please contact us.

Additionally, we have included in this packet important camp information to inform you of primary procedures we have at camp. We will send out a second email closer to camp with primary camp contact information, directions, and any updates you may need to receive.

HEALTH AND WELLNESS:

We will have full-time health staff at camp that will keep all records, log-in any camper medications at check-in and secure all medications. All medications, whether prescription or over-the-counter, will be administered by the camp health staff only. We have additional staff certified in adult and pediatric First-Aid and CPR/AED procedures.

If a situation arises that should require serious medical attention, the Camp Director, Chairman or a member of the Board will attempt to contact and inform the parent/guardian as soon as possible. If the parent/guardian cannot be reached, the emergency contact person will be called. In the event that a camper needs to be transported to a medical facility, the Camp Director will call the designated physician and/ or local emergency unit for treatment and for transportation to a hospital. A dedicated vehicle and driver will be on standby at the camp to act as an emergency transportation vehicle if necessary. A staff member will accompany the camper to the hospital and stay until the parent/guardian arrives and signs the camper into his/her custody.

VOLUNTEER STAFF:

In accordance with Camp Quest requirements, all of our volunteers have been through a local and national background check, an application screening process, and individually interviewed. Prior to the start of camp, our entire staff must attend/complete mandatory staff training that covers the rules and procedures of the host camp, Camp Quest rules, and all emergency procedures that we have in place. At no time will campers be left alone or unattended.

PARTICIPATION:

Our camp has fully-scheduled days where campers are engaged in group activities. Summer camp is a place where children get a chance to experience a little bit of independence, make new friendships, and interact and participate in new experiences; our activities have been planned to foster this experience. Campers are expected to participate and not be distracted. Although our Electronics

Policy allows campers to bring cameras, music players with headphones, e-readers and hand-held GPS units, there are specific times during the day when their use is appropriate.

We allow mobile phones at camp, but **only** in their capacity as cameras, music players with headphones, and e-readers. We want them to experience the natural surroundings, to be engaged in the activities, and to interact and build friendships with others at camp. That cannot happen if they are texting or calling their family or friends back home, or if their parents are continually checking in with them. We urge you to talk with your children about this before they come to camp so that they know what to expect and can be better prepared. Campers that fail to comply, and use their phone during non-authorized times, will have their phones taken from them and phones will not be returned until pick-up time.

DROP-OFF/CHECK-IN and PICK-UP/CHECK-OUT TIMES:

- **Drop-off/check-in time is 3:00 PM – 5:00 PM on Sunday, June 26, 2022** at the camp. Parking is limited and the check-in can take some time, especially if a large number of campers arrive all at once. We are suggesting, in order to minimize delays, that if your oldest camper is aged 13-17, please try to arrive between 3:00-3:45, otherwise we suggest arriving between 4:00-5:00 PM.
- **Pick-up/check-out is 10:00 AM – 11:30 AM on Saturday, July 2, 2022** from the camp. Campers will not be ready for check-out before 10:00 AM. Camp staff must vacate the facility, so it is important that you arrive before 11:30AM.

IMPORTANT NOTE: Camp staff is not available to supervise campers who arrive early and campers will only be checked in starting at 3:00PM.

PAYMENT AND FORMS:

All payments and forms will be handled in UltraCamp. Once logged in you can track your progress and confirm if all forms have been completed, as well as, check your camp fee balance.

If you have not paid in full or have not submitted all the required forms *prior* to camp, your child will not be checked-in.

CLOTHING

Please send your child to camp with clothing appropriate for playing, painting, and participation in outdoor activities. Clothing, such as dresses and skirts that restricts movement and/or is delicate is not appropriate clothing for camp.

Camp is very active and good quality footwear is recommended. Closed-toed shoes, such as sneakers, are needed for all activities. Sandals and flip-flops are not appropriate at camp with the exception of shower-time. Flip-flops or water shoes may be worn in the shower.

All campers should have clothing appropriate for hot, as well as cool and rainy days. Sweatshirts, light jackets, and rain boots may be necessary. Camp is based on the traditional "outdoor camp" experience, and your child will spend a lot of time outdoors.

ITEMS TO BRING TO SUMMER CAMP: See Packing List at End of this Packet

PLEASE NOTE: ALL items brought to camp should be labeled with the camper name on it. This helps us return it when it gets lost!

In order to ensure the safest environment for our campers and staff, Camp Quest reserves the right to search campers' belongings at any time if we feel a situation warrants such actions. Any item(s) found will be confiscated and held until check-out time.

Camp participants will be expected to comply with all health policies which will be written utilizing the most-recent guidance by CDC, state health department, and American Camp Association guidelines to ensure a safe and healthy camp environment.

At this time, Camp Quest, Inc has a policy that mandates all camp participants be up-to-date with vaccinations, including COVID-19 vaccine and applicable booster. Proof of vaccination status will be required to attend camp. In addition, a mask may be required while attending camp.

Due to the changing nature of COVID variants, our policies will be updated and shared no later than June 1 to ensure all participants have ample time to be in compliance.

- It is expected that all participants will need to submit a negative PCR test taken no more than 72 hours prior to first day of camp session.
- We will require masks indoors where participants cannot maintain 6 feet distance.
- And camp will have cohorts or pods to assist in reducing spread of COVID if there was an exposure to COVID at camp.
- During the days prior to first day of camp, we ask for vigilance when interacting with others by wearing a mask to assist in the prevention of bringing COVID to camp.

MISSION AND VALUES

Camp Quest is committed to helping campers develop critical thinking skills, growing empathy, and developing humanistic values. To help make this summer a positive experience for your camper, discuss with your child what they are learning and experiencing, and how they and your family can display these values and qualities with others.

Core Educational Content Areas:

- **Humanist Ethics:** Camp activities with a humanist focus promoting altruism, peace and social justice, community service, and personal responsibility for helping others and caring for our planet.
- **Critical Thinking & Scientific Inquiry:** At Camp Quest, we encourage campers to ask "why?", to dig into some of life and science's most challenging questions, and to use reason and empiricism when tackling problems.
- **Freethought Heritage & Worldview Awareness:** Camp Quest promotes open-mindedness, choice, empathy, and respect for religious, philosophical, and cultural diversity while also modeling appropriate and respectful discussion and critique of belief systems.
- **Nature Appreciation & Recreational Activities:** Campers spend time observing the natural world, sharing their discoveries, and working together to learn about the natural sciences, environmental responsibility, and outdoor and wilderness safety.

Camp activities with a known risk factor include, but are not limited to, swimming, boating, physically active games, challenge course, and all sports.
