The Experience Camp is meant to be like a rehearsal day on tour with the drum corps. It is important that you plan for this by packing appropriately. Attached to this email is a suggested packing list for you to reference.

Our staff will be working with you all day, outside of mealtimes and meetings. It is imperative you wear appropriate clothing. Athletic attire and appropriate footwear is required. No open toed shoes are allowed during rehearsals. An appropriate water source is also required, you will be very active physically and you need to stay hydrated so you do not miss any time during rehearsals. Everyone will bring their audition materials and packet you should have already received after you registered, extras can be provided if needed.

The day of the camp, call any of these numbers if you need assistance:
