Important Notes for Parents of Horsemanship Students:

Preparation & Punctuality:

- Please arrive **15 minutes early** to ensure enough time to prepare for the lesson (see directions below).

Required Attire & Items:

- Please dress your student in clothing appropriate for the weather. It is often cooler here at camp.
- **Long pants and sturdy, closed-toe shoes are required; boots are preferred.**
- Helmets are provided, or you may bring your own ASTM-certified riding helmet.
- Please send your student with a water bottle.

Safety and Camp Respect:

- For the safety of all, please keep all pets at home.
- Young children who are not participating in the lesson must be under adult supervision.
- **Barn and Arena Rules:** Parents and spectators are asked to honor the barn's rules. **Do not enter the arena or horse areas at any time.**
- **Respecting the Lesson:** Please respect the instructor and students by refraining from talking to your child while they are in class. The instructor is responsible for your child's safety, and side conversations, however well-intended, can be distracting and disruptive.

- **Campground Guidelines:** Please respect the campgrounds while waiting. Camp activities are not open to families unless they are participating with staff. Families waiting are welcome to use the swings at upper camp or walk around that specific area. **Please do not enter the hay barn, go into pastures, or access other camp activities.**

Emergency Contact:

- If you have an emergency that will cause you to be either late or unable to bring your child to Horsemanship Lessons, please use this number: **360.977.2922**. (Please use this number for emergencies only.)

Winter Showcase:

Mark your calendars for our Winter Showcase on Saturday, March 21, 2026! Join us at Royal Ridges from 10:00 am to 3:00 pm to see the progress your child has made during the Winter Term.
