

Payment in full is due one week prior to the first day of camp. A non-refundable \$25 per camp deposit is due at registration. (Morning and afternoon sessions of Camp PDS are treated as separate sessions; each has its own \$25 deposit.) Camp reservations may be made, modified, or canceled one week prior to camp.

Extended Care does not require a deposit; payment is due one week prior to the first day of the week. Drop-Ins do not require a deposit; payment is due at the end of the week.

Registrants may elect to pay their total camp balance at the time of registration. If so, cancellation made one week prior to camp will result in a refund less the \$25 deposit.

Registrants may also elect to use the Summer Payment Plan. Once you have paid the \$25 per camp deposit, the remaining balance, including Extended Care charges will be charged to your card one week prior to camp. In the event of a cancellation, your card will not be charged for the remaining camp balance.

If a camper wishes to switch camps, provided space is available, he or she may do so with no additional cost. If the cost is greater than the original registration, the difference will be due the week prior to camp. If the cost is less than the original registration, the balance will be applied to any upcoming reservations or refunded to your original form of payment at the end of the summer.

If registration is deemed to be insufficient one week prior to the first day of camp, PDS reserves the right to cancel that camp and refund your payment in full. Unfortunately, PDS is unable to prorate a camp fee for any day(s) your child may miss. Except in cases of illness or emergency that are disclosed to PDS prior to the start of a camp, refunds will not be given after a camp begins.
