ROCKY RIVER ROUND UP

Dinner

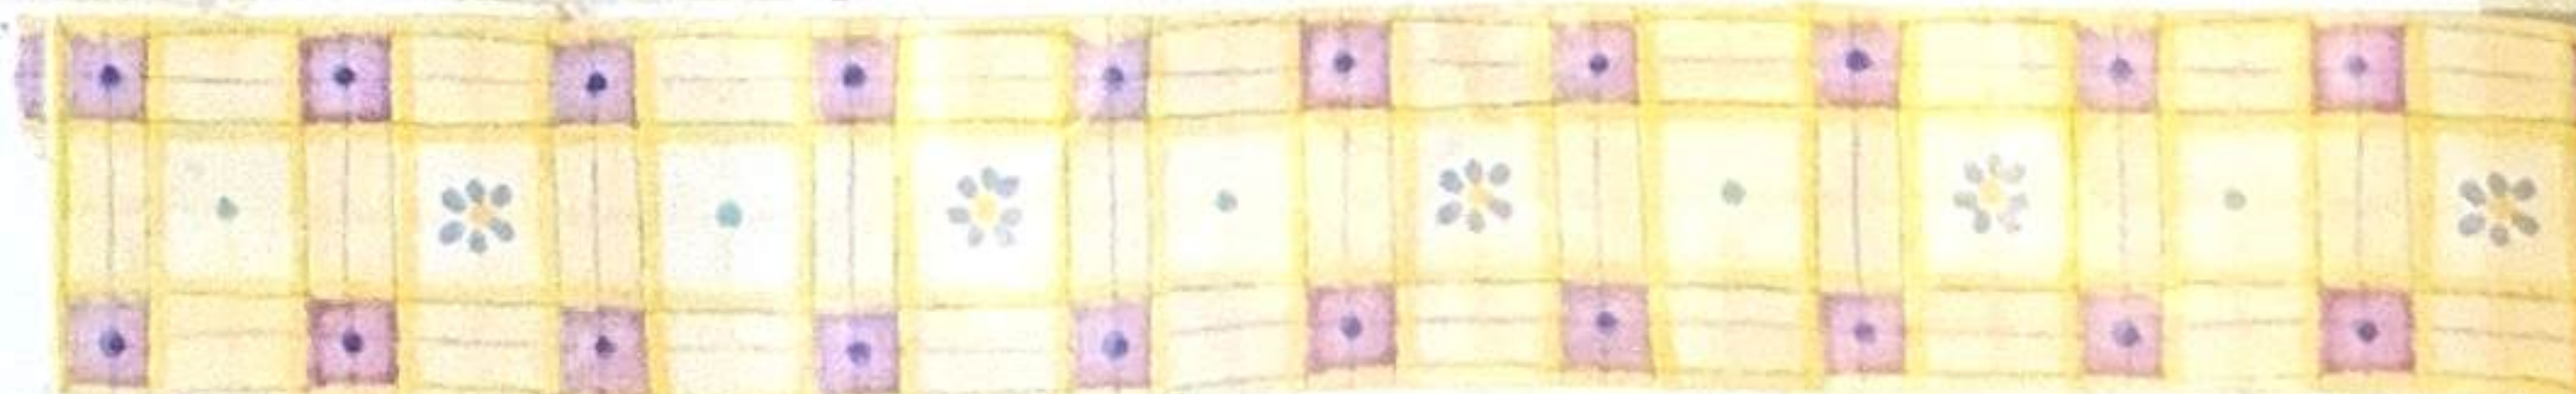

VOLUME VII

JUNE 27, 1959

NUMBER I

BOYS! BOYS! BOYS! - - - WE HAD A DANCE

Wednesday, June 24 was the Big Night. Two truck loads of real live boys drove up and stopped at the Forty Niner. Where were they from? They were the boys from the YMCA camp up the river. They were here for the big dance with us (girls). The broom was a favorite partner for a few unlucky people--you see it was part of the broom dance. After several dances or tunes, everybody sat down to watch the exciting show put on by the "Y" boys and the Rocky River "Rockettes." Rockettes were girls from the Circle B. Everyone really seemed to have a good time -- so we hear. Ready and waiting for another dance! Remember, Friday Mountain Dance on June 30.
