**All forms due
by May 1**

We realize there are numerous required forms. They are all necessary for your child's participation in our program. To help with this, we have formulated the following checklist. If you need further information regarding these forms, please feel free to call us during business hours (8:30am-5:00pm EST) at (305) 872-2331.

Forms are available through your UltraCamp account. In UltraCamp, you can find your Tasks and required forms in both the **Document Center** (under the 3 bars at the top left of your homepage) and in the **Message Center** (the envelope at the top right of your homepage). All completed forms may be:

- (1) uploaded to your UltraCamp account, or
- (2) e-mailed to Seacamp and we will upload to your UltraCamp account

When uploading, forms, please do not combine multiple forms; each form needs to be uploaded in its corresponding location. Uploaded forms can be multiple pages. Seacamp will need to review uploaded forms before the task notification will go away in your Message Center. Single parents, step parents or legal guardians of teens coming to Seacamp must provide proof of such designation. We apologize if this causes any inconvenience, however, our legal counsel has required us to have this information in our files.

Many forms will also be completed using Docusign which you will receive in a separate email.
