### TEEN CAMP, Ages 13 to 15

Teen Camp returns for 2023 with new field trips and a new hangout treehouse (with AC!) on the Rob Fleming campus! Sunny Dayz Teen Camp is offered exclusively at the Rob Fleming Sunny Dayz Camp location and is priced at the standard Sunny Dayz rates for the full 11 weeks. Dependent on attendance, Teen Campers may be merged with the older Adventurer camper group as warranted.

This extension of the Sunny Dayz program offers campers ages 13 to 15 the opportunity to participate in activities that are more age appropriate. Teen campers will go on Teen Camp only field trips including Hurricane Harbor, Texas TreeVentures, and many more! Crafts and STEAM projects are more complex and designed to challenge older campers.
