TEEN CAMP, Ages 13 to 15

Teen Camp returns for 2022 with new field trips and a new hangout treehouse (with A/C!) on the Rob Fleming campus! Sunny Dayz Teen Camp is only offered at the Rob Fleming location and is priced at the standard Sunny Dayz rates for the full 11 weeks. Dependent on attendance, teen camp may be merged with our older Adventurer group as warranted.

This extension of the Sunny Dayz program offers campers ages 13 to 15 the opportunity to participate in activities that are more age appropriate. Teen campers will go on field trips with only teens including Hurricane Harbor, St. Francis Wolf Sanctuary, Top Golf and many more! Crafts and STEM projects are more complex and designed to challenge older campers.
