## **CAMP SAFETY AND SECURITY**

The safety of your child is our number one priority here at Sunny Dayz Camp. The following topics provide you with information about the steps that we take at Sunny Dayz Camp to ensure that your child has a safe and enjoyable summer.

### **Camper to Staff Ratio**

Provider to participant ratio exceeds guidelines set by the Texas State Requirements for ages 6- 15 (1:22). We base our registration numbers not to exceed a 1:12 ratio of staff to camper. This ratio ensures that your camper has a safe and enjoyable summer! To maintain this ratio, Sunny Dayz Camp must enforce a maximum capacity. Once the camp capacity is met, we can no longer accept enrollment.

### **Staff Training**

All Sunny Dayz Camp Counselors are required by The Woodlands Township to have completed training each year prior to the beginning of camp. Training includes, but is not limited to, CPR and First Aid, Youth Development, Bullying, Communication, Group Management, Water/Pool Safety, and Emergency Action Plan procedures.

## **CAMP DROP-OFF AND PICK-UP**

### **Check-In/Drop-off**

**Each Camper must be checked out by an authorized guardian as listed in the camper's UltraCamp account found at [sunnydayzcamp.com](http://sunnydayzcamp.com). Authorized Guardians can be added during the registration process or anytime by logging into your UltraCamp account at [sunnydayzcamp.com](http://sunnydayzcamp.com). ### **Away from Recreation Center**

Sunny Dayz permits guardians to drop-off and pick up campers while the child is away from the Recreation Center due to field trips or other camp activities throughout the day. To confirm the daily schedule please contact the corresponding Recreation Center.

### **Roll Call**

1. Listen to and follow directions.
2. Be respectful to other campers, counselors and staff.

10. HAVE FUN!

### **Bullying Policy**

At Sunny Dayz Camp, bullying is inexcusable. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication so campers will be comfortable alerting us to any problems during their camp experience.

### **Discipline Policy**

Sunny Dayz Camp should be a place of laughter, fun and good times for your camper. However, it is paramount that campers follow the camp rules for their own, along with fellow campers, enjoyment, and safety. It is our goal for counselors, children, and parents/guardians to work together toward cooperative behavior and a fun atmosphere. Parents/Guardians will be notified of emerging difficulties and asked to assist in behavior management. The following discipline

procedures will be followed based on the level infraction 1 (Yellow), 2 (Orange), 3 (Red).

### **Level 1 (Yellow)**

These infractions are handled primarily by camp counselors by performing the following steps:

1st Offense - Camper will be counseled on appropriate behavior and re-directed to a more appropriate form of behavior.

2nd Offense - Camper, under staff supervision, will briefly be removed from the group and will rejoin when the counselor determines that he/she is able to do so without further disruption.

3rd Offense - After being removed from the group, the camper has not yet calmed down or corrected the inappropriate behavior, then the Camp Director will be notified.

Examples of **Level 1 (Yellow)** infractions include but are not limited to:

- Not listening to instructions
- Horse play
- Disruptive behavior
- Poor sportsmanship
- Not cleaning up after meals, snacks, or other activities
- Not participating in camp activities to the best of their ability

When counseling campers the number one goal is to make the camper understand what they did was wrong, why it was wrong, and then show them more appropriate way to behave in the future. If the camper can self-correct their behavior parent/guardians may not be notified of infractions.

### **Level 2 (Orange)**

Level 2 infractions are taken care of by a combination of camp counselors, head camp counselors, and Camp Directors.

If 1st Offense - Camp Directors will be notified, and the camper will be removed from the group to calm down and discuss the behavior with Camp Directors. After the camper has had time to reflect on behavior and necessary reconciliations made the camper will be permitted to return to their group.

Examples of **Level 2 (Orange)** infractions include but are not limited to:

- Destruction of property
- Theft or attempts to steal property

- Verbal abuse or blatant disrespect of counselors or campers
- Inappropriate language or conversations
- Children leaving the group or premises without approval or authorized escort
- Horse play or rough housing resulting in injury or potential for injury
- Bullying and teasing of other campers
- Not keeping one's hands to themselves in a way that does not result in injury or an attempt to cause injury (pushing, pulling, wrestling, slapping)
- Repeated Level 1 infractions

Parents/Guardians will always be notified of serious infractions. At pick up parents/guardians will be required to sign a discipline report outlining camper behavior. If serious infractions of any kind continue in the future campers will be placed on suspension or removed from the camp program.

### **Level 3 (Red)**

Level 3 infractions are taken care of by Camp Directors in conjunction with The Woodlands Township Recreation Administrative Staff.

1st offense - Camp Directors will be notified, and the camper will be removed from the group. Parents/Guardians will be called to pick up their camper. The camper will remain separated from the group until they are picked up.

Examples of **Level 3 (Red)** infractions include but are not limited to:

- Fighting with the intention of causing physical injury (closed fist punching, choking, kicking, physical attacks to the head, neck, or groin)
- Inappropriate touching of other campers or staff
- Verbal threats of severe harm or death threats
- Possessing any kind of weapon
- Possessing any drugs, alcohol, nicotine, or tobacco products
- Sexual harassment of any kind
- Racial or homophobic slurs of any kind
- Vandalism or intentional destruction of property
- Repeated Level 2 Infractions

Parents/Guardians will always be notified of Level 3 infractions. Upon pick up parents/guardians will sign a discipline form and a suspension from camp will be issued. Depending on the severity of the infraction, immediate removal from the camp program is a possibility.

### **Sunny Dayz Suspension Policy**

Suspensions from Sunny Dayz Camp will be issued at the Camp Directors discretion following discipline infractions. Suspensions are issued for the safety

and wellbeing of all campers, staff, and the Sunny Dayz Camp program. The purpose of a suspension is to allow suspended campers time away from camp to review their behavior and make any necessary adjustments. When suspended from Sunny Dayz Camp campers will not be permitted to attend either camp location until the issued suspension has been fulfilled.

### **Removal from Camp Program**

Campers may be removed from Sunny Dayz Camp program based on the severity of the infraction or based on repeated infractions. Campers are removed from camp for the safety and wellbeing of all participants, staff, and the Sunny Dayz Camp program. When removed from camp, campers will not be eligible to return to camp until the next camp season.

## **FIELD TRIPS**

### **Field Trips**

Throughout the summer Sunny Dayz Camp will be taking field trips to several different facilities and Township pools.

Parents/Guardians will be notified in several different ways to ensure that all information pertaining to weekly field trips is communicated as departure and arrival times to and from the Recreation Center are different for each field trip. The notification methods are as follows:

- Sunny Dayz Summer Calendar
- Parent Emails

For all field trips, Sunny Dayz Camp will be transported by a licensed bus operator. While on the bus, campers must abide by the rules set forth by the bus operator and that bus driver (See Bus Rules below). Failure to follow bus rules can result in disciplinary action.

Each camper will receive a Sunny Dayz T-Shirt on the morning on their first field trip of the summer. Campers must wear their shirt on ALL field trip days (excluding Township pools) to participate.

All campers attending camp the day of a field trip will be required to attend the field trip. No campers will be allowed to stay behind at the Recreation Center.

### **Bus Rules**

## **Parent Field Trip Permission Forms**

Field Trip Permission Slips will provide all essential information for the field trip. Including:

- Event/Destination
- Date
- Location
- Departure and arrival times to/from the Recreation Center
- External Link to Field Trip Facility Wavier (if applicable).

## **Swimming Field Trips**

Multiple pool visits are included each week of camp. Parents/Guardians will need to select an option for their child. This new policy is in reference to H.B. 59, CATI'S ACT. Campers will be required to demonstrate skills each week, even if they have passed a swim test the previous week, to determine if a life vest is required.

## **Pool Rules**

All Sunny Dayz campers will be required to follow all pool rules set forth by The Woodlands Township. Sunny Dayz campers will also be required to follow additional Sunny Dayz pool rules. A copy of The Woodlands Township Pool Rules can be found at [www.thewoodlandstownship-tx.gov/DocumentCenter/Home/View/855](http://www.thewoodlandstownship-tx.gov/DocumentCenter/Home/View/855).

## **Swim Testing**

Each week every camper will need to successfully pass a swim test. Swim tests may be retaken at the beginning of each new pool trip. Swim Competency requirements include:

- Swim 25 yards with no assistance
- Tread Water or float for 30 continuous seconds
- Enter and exit the pool safely on their own.

In accordance with Cati's Act (Texas H.B. 59) any swimmer who cannot pass the swim test must wear a fitted and fastened Type I, II, or III United States Coast Guard approved personal floatation device at all times inside the pool gates and must remain in designated areas as deemed appropriate specific to pool amenities. If your child does not want to wear a life jacket an opt-out activity will be provided.

We highly recommend that if your swimmer will be wearing a life vest daily, that you provide a life vest for your camper.

## Not Swimming

If your camper wishes not to swim on a particular day, an opt activity will be provided. Any child who enters the pool area will be required to take the swim test or will be required to wear a lifejacket.

## Sunscreen

Please keep the following in mind regarding sunscreen when bringing your child to camp.

- Please ensure that your camper brings sunscreen to camp every day due to the variety of outdoor activities at camp.
- Please ensure that your camper is capable and comfortable with applying their own sunscreen. Counselors will not assist in applying lotion sunscreen anywhere other than a camper's face.
- Before bringing your child to camp, please apply their sunscreen.
- At the pool, campers will be required to re-apply sunscreen at every Safety Break (a 10-minute break in which everyone must exit the pool 10 minutes before the hour, every hour). Counselors monitor and assist campers with the sunscreen process to ensure proper application.
  - At Rob Fleming Aquatics Center, since there are no Safety Breaks, camp staff will ensure all campers exit the pool to apply sunscreen every hour.
