CAMP SAFETY AND SECURITY

The safety of your child is our number one priority here at Sunny Dayz Camp. The following topics provide you with information about the steps that we take at Sunny Dayz Camp to ensure that your child has a safe and enjoyable summer.

Camper/Staff Ratio

Provider/participant ratio exceeds guidelines set by the Texas State Requirements for ages 6-15 (1:22). We base our registration numbers not to exceed a 1:12 ratio of staff to participants. This ratio ensures that your camper has a safe and enjoyable summer! To maintain this ratio, Sunny Dayz Camp must enforce a maximum capacity. Once the camp capacity is met, we can no longer accept enrollment.

Staff Training

All Sunny Dayz Camp Counselors are required by The Woodlands Township to have completed training each year prior to the beginning of camp. Training includes, but is not limited to, CPR and First Aid, Appropriate Interactions with Campers, Youth Development, Bullying, Communication, Group Management, Water/Pool Safety, and Emergency Action Plan procedures.

CAMP PICK-UP AND DROP-OFF

Drop-Off

Camper check in begins at 7:30 a.m. at both camps. Early drop off is not permitted. Each camp utilizes a drive through car line for camper drop-off, where a Sunny Dayz staff member will check in campers.

Camper drive through drop-off in these locations is open from 7:30 to 9:00 a.m. For drop-off after 9 a.m. please use the main Recreation Center entrance. For off site drop-off please contact the recreation center to coordinate.

Pick-Up

Camper pick-up via drive through car line at the designated camp entrances of each rec center (above) runs from 4 to 6 p.m. Late pickups, after 6 p.m., are not permitted and will result in a late fee.

Each Camper must be checked out by an authorized guardian as listed in the campers UltraCamp account. Approved Guardians can be added during the registration process or anytime by logging into your UltraCamp account by visiting sunnydayzcamp.com. We require all guardians to show a valid photo id upon check out. Unauthorized guardians or guardians without proper photo id will not be permitted to check out campers.

For pick-ups before 4 p.m. please use the main recreation center entrances. For offsite pick-up please contact the recreation center to coordinate.

Away from Recreation Center:

Sunny Dayz permits guardians to drop-off and pick-up campers while the child is away from the Recreation Center due to field trips or other camp activities through the day. To confirm the daily schedule please contact the corresponding Recreation Center.

Roll Call

To ensure that all campers accounted for and with their age groups (Adventurers/Explorers/Teens), roll will be called at the following times:

- 1) At the beginning of each day
- 2) Upon leaving the recreation center (Park, Pool, Field Trip, Service Projects)
- 3) Upon leaving a location to return to the Recreation Center
- 4) Upon arriving back at the recreation center

Furthermore, campers will be grouped into small groups by counselor. Campers will utilize these small groups throughout the day for activities and movement around the campuses.

- In the case of a minor accident or injury, Camp Staff will administer first aid, monitor the camper, and notify the parents/guardians at pick-up
- In the case of an emergency and/or serious injury, parents/guardians will be notified immediately. If necessary, the local ambulance service will transport the camper to the nearest hospital.

Emergencies:

CAMP RULES AND DISCIPLINE

Camp Rules

Sunny Dayz Camp has a set of rules that have been set forth to benefit each camper and allow them to have a safe and enjoyable experience at camp. The camp rules are as follows:

1. Listen to and follow directions
2. Be respectful to other campers, counselors and staff
3. Use Please and Thank You
4. Always use appropriate language
5. Keep your hands, feet and mean words to yourself
6. Keep toys, electronics and games at home
7. Clean up after yourself at the end of games, lunch, crafts and other activities
8. Participate in ALL activities with a positive attitude
9. Stay with your group at all times
10. HAVE FUN!

Bullying Policy

At Sunny Dayz Camp, bullying is inexcusable. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories. Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership addresses all incidents of bullying seriously and trains staff to promote communication with their staff and their campers so both staff and campers will be comfortable alerting us to any problems during their camp experience and between camp seasons.

Discipline Policy

Sunny Dayz Camp should be a place of laughter, fun and good times for your camper. However, it is paramount that campers follow the aforementioned camp rules for their own, along with fellow campers, enjoyment and safety. It is our goal for counselors, children and parents to work together toward cooperative behavior and fun atmosphere. Parents will always be notified of emerging difficulties and asked to assist in behavior management.

The below discipline procedure will be followed when a child is not following camp rules.

- 1st Offense – Child will be counseled on appropriate behavior and re-directed to a more appropriate form of behavior.
- 2nd Offense – The child, under staff supervision, will briefly be removed from the group and will rejoin when the counselor determines that he/she is able to do so without further disruption.
- 3rd Offense – After being removed from the group, the child has not yet calmed down or corrected the inappropriate behavior, then the Camp Director will be notified.

Depending on the severity of the issue, the parent may be notified at this time and a Discipline Report will be issued.

The above procedure will be used when there is a gradual progression of behavioral concerns in respect to following camp rules. As a general rule, upon receiving three (3) discipline reports, a camper will be dismissed from the Sunny Dayz Camp program at all locations for the remainder of the summer, or as the circumstances dictate. Discipline reports are counted for the entirety of the summer, regardless of attendance.

Serious cases may warrant a discipline report without the camper receiving a warning/time out period. The following actions are considered serious in nature:

- Theft, attempts to steal or property damage
- Verbal abuse or blatant disrespect of Counselors or other participants
- Physical aggression
- Disruptive, defiant or disrespectful behavior
- Inappropriate touching
- Children leaving the group or premises without approval or an authorized escort
- Verbal threats of severe harm or death threats

For severe infractions campers may be dismissed from camp prior to receiving three (3) discipline reports.

Discipline Report

Discipline Reports will be issued when a child has reached the appropriate phase of the disciplinary procedures. Discipline Reports are meant to communicate severe or on-going behavioral issues to the parent/guardian with the goal in mind to help manage behavior and create a positive summer camp experience for all.

Parents/Guardians will be notified via email when their child receives a Discipline Report, may additionally be contacted via phone or asked to pick up the child. A Camp Director will also speak with the parent/guardian upon pick-up of the child from camp that day.

FIELD TRIPS

Field Trips

Throughout the summer Sunny Dayz Camp will be taking field trips to several different facilities and Township pools.
