

This information is for 2026 Phantom Regiment Contracted Members only.

Sign up for the Fund raiser:

[Go Fund Me](#)

Once a fundraising page is created, all you need to do is share your link with your contacts. Money collected through Classy is manually applied behind the scenes on a monthly basis, right before tuition payments are due.

Summer Physical Form:

 [Phantom Physical 2026](#)

This form must be completed by all 2026 Phantom Regiment members before move-ins in May. There will be a place to turn this in on Ultracamp as we get closer to May.

Sending Checks:

Phantom Regiment will accept checks sent to the main office, providing they are received one week prior to the date the monthly tuition payment is due. The option to pay by check will be rescinded after the first late payment or return from the bank.

Checks can be made to Phantom Regiment and should have the member name in the memo line.
