

## FIELD TRIP #3 CAPE ANN WHALE WATCH

### Edge on Science LLC Marine Science Program Whale Watching Field Trip Itinerary

**Date of Field Trip:** July 31, 2025

**Location:**

Cape Ann Whale Watch  
415 Main Street, Gloucester, MA 01930  
+1 800-877-5110

**Activity:** Whale Watching Tour

**Transportation:** Beauport Ambulance Service Inc. Chartered Bus

**Itinerary:**

**9am:** Drop-off campers at the Ocean Alliance

**9am-11:45am:** Regular camp activities at the Ocean Alliance

**11:45am:** Beauport Ambulance Service Inc. arrives at the Ocean Alliance to transport campers to Cape Ann Whale Watch

**12:30pm:** Arrive on location at 415 Main Street, Gloucester, MA to board boat

**1:00pm:** Boarding the boat begins

**1:30pm:** Boat leaves dock to begin trip

**1:30-4:30/5:30pm:** On the whale watch. All trips are 3-4 hours long.

**4:30-5:30pm:** Camper pick-up at Cape Ann Whale Watch

**What to bring:**

- Sweater or jacket. Even on a warm day, it is always 10-20 degrees cooler out on the water and will be more windy.
- Wear sneakers or rubber soled shoes.
- Sunglasses. Polarized sunglasses are the best for whale watching because they reduce the glare and help you see into the water better—thus seeing the whales better.
- Hat and Sunscreen. Sunscreen will **not** be provided to campers, they must bring their own.

**Pick-up:**

On this day parents/guardians or other authorized adults will pick up their camper from Cape Ann Whale Watch **not** from the Ocean Alliance. Campers will be ready for pick-up between 4:45pm-5:30pm depending on when the boat arrives back to shore. Campers need to be officially signed out with Program Staff.
