Each morning, we have fun and play various games like Counselor Hunt, Soft Rocks, or have a Talent Show!

11:00 - 12:00 Morning Activity Rotations

During this time, you travel with your “tribe” and rotate through different activities such as archery, BB guns, and tree play! It’s a fun time learning new skills and being in nature!

After pool time is a second round of activity rotations. Participate in more fun activities like nature exploration, chalk play, and crafts! You get to have a yummy snack too!

3:00 Family Time 2

The second Family Time of the day is a sweet time for the counselors to hand out name tag beads to their campers. This is a fun Day Camp tradition!

3:40 Sing and Pray

Before Pick Up, everyone gathers together one last time for a final camp song! It’s a fun way to end the day. Then we pray out and say goodbye until the next day of adventures!
