

We are thrilled to have a new registration system this year! This program will help us streamline our data, waitlist, and signature forms.

However, because of Camp Attitude's unique volunteer structure, many of our volunteers have encountered difficulty signing up. Please be assured we are working on this, and we thank you for your patience.

More Common Questions:

Fees

In an effort to keep our costs low and offer a summer camp experience to our campers for free, we ask our volunteers to cover their expenses by paying a registration fee.

This year we will be charging \$150 for an individual, \$250 for a couple or siblings, and \$350 for a family of 3 and up. If this is a hardship for your family, please email camp@campattitude.com for a scholarship. The multi family member discount will be applied at the end of your registration process.

A non-refundable partial payment of your registration fee (\$30 per person) will be requested to cover our processing fees. The remainder of your registration fee can be paid online or with a check when you arrive to camp.

Background Checks

A background check is *required* for all participants over the age of 18. If your background check is flagged, a staff or board member will reach out to you.

Currently the system is requiring a social security number even for minors. Please be reassured, we will *not* run background checks for minors. You can put the number 987-65-4321 if you do not want to put your minor's ss number.

Camp Attitude on Religion

Camp Attitude is founded on Christian principles with our core desire rooted in loving others as Jesus loves us. It is for that reason that we would never treat anyone poorly based on differences in beliefs, abilities, gender, or race.

It is our mission to demonstrate the love of Jesus Christ to our campers through our actions and testimony with the purpose of offering a relationship with Jesus Christ to our campers and their families. For this reason, we require adult and student volunteers to adhere to our Statement of Faith, and we will use this document to determine eligibility for service at Camp Attitude.

We do not require our camper families to agree to Camp Attitude's Statement of Faith to attend. Instead, we welcome them into our community and take this opportunity to show them what it means to be among volunteers who possess a relationship with Jesus Christ.

Camp Attitude is not interested in proselytizing or declaring one religion or denomination over another. As a non-denominational Christian camp, we will not take specific stances on dividing Christian issues such as baptism or communion. However, individuals practicing a religion not founded in the Biblical principles found in God's Holy Word will not be accepted to serve at Camp Attitude. This includes, but is not limited to, Atheism, Buddhism, Confucianism, Jehovah's Witness, Judaism, and Mormonism.

Statement of Faith:

We believe the Bible to be the only inspired, infallible, authoritative Word of God.

We believe that there is one God, eternally existent in three Persons: Father, Son and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is essential.

We believe in the present ministry of the Holy Spirit by Whose indwelling the Christian is enabled to live a godly life.

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

We believe in the spiritual unity of believers in our Lord Jesus Christ.
