Welcome to Student Stewards 2025 Spring Break Camp! We are very excited to host this educational camp and have prepared a variety of fun activities that we look forward to sharing with your child.

This camp's theme is **Global Explorers!**

Let's have a great week!

Weekly Schedule:

Monday, March 17: **Nevada**

We will start the day off with a fun camp mixer so campers can make new friends and create our camp constitution. Campers will then explore Idlewild Park with the Nevada Department of Wildlife and help them release native trout into the Truckee River!

Tuesday, March 18: **Nepal**

This day, campers will learn all about Nepal, from its culture to the historic Mt. Everest! Campers will create "summit signs" to prepare for tomorrow's field trip, where they will have the opportunity to hike to one of Reno's iconic summits: the 'N' on Peavine Peak above Rancho San Rafael Park.

Wednesday, March 19: **Field Trip!**

Campers will explore their local Northern Nevada hills with a hike and picnic at **Rancho San Rafael Regional Park**.

Thursday, March 20: **Basque Country**

Did you know the National Basque Festival happens every year in Elko, Nevada? Campers will explore Basque history and its connection to Northern Nevada, while learning new music, dances, and games.

Friday, March 21: **Tuvalu**

On our final day, campers will learn about the small island nation of Tuvalu, including environmental challenges and island culture. Plus, we will have a Fun Friday BBQ lunch!
