**Agreement of Behavior and Health Expectations**

Standards of student behavior at OES are based on respect and responsibility and are thoroughly outlined in the student handbook. On all trips, students are expected to observe all OES rules as well as any rules that the trip leaders deem necessary for ensuring trip participants' safety. If students violate school or trip rules, there will be consequences which could include immediate expulsion from the trip, ineligibility for future OES trips, and/or notification sent to future schools. Also, in order to maintain appropriate supervision for the entire group, students must be able to fully participate in the trip. If a student is unable to participate in the trip for more than 48 hours due to illness or injury, OES may require the student to leave the trip.

*I agree that \_\_\_\_\_, (my son/ daughter/ ward) is responsible for following all the rules and expectations for the trip described above. I understand that if the trip leader determines that my son/ daughter/ ward has broken the rules of behavior and safety so that s/ he merits being sent home from the trip, or if the trip leader communicates that my son/ daughter/ ward is too ill or injured to participate in the activities of the trip, I (or a responsible person designated by me) **will retrieve my child and I will assume responsibility for all costs incurred.** I understand that once I (or my designated representative) take responsibility for my child that s/ he will no longer be considered a participant in the OES trip and that OES will no longer be responsible for his/ her safekeeping.*
