Welcome

Hello Camp Cedar Falls campers and parents,

I am so excited that you've decided to give Camp Cedar Falls a chance this summer. Thank you for your trust. We truly do not take that lightly.

Our prayer is that this summer will be something your child never forgets. Not just because of the games, activities, campfires, swimming, or friendships, but because they encountered Jesus in a real way.

Pr. Paulo Tenorio & Family
Ana, Mika, and Mila Tenorio

We believe camp can be life changing.

Through worships, sermons, Bible studies, nature, cabin conversations, and everyday moments, our desire is for every camper to grow closer to God and build friendships and memories that will last far beyond one week of camp.

Parents, please know this:

Your child's safety and well-being is one of our highest priorities. We are working hard to create an environment that is safe, caring, fun, encouraging, and spiritually uplifting.

But beyond all the activities and excitement, our greatest goal is simple:

That every camper leaves camp knowing Jesus deeper and better than when they arrived.

Many of us can still remember moments from summer camp that impacted our lives forever. Our prayer is that Camp Cedar Falls will become that kind of place again for this generation.

Thank you again for believing in this ministry and for allowing us the opportunity to invest in your children. Our team is praying, preparing, and incredibly excited for this summer.

We cannot wait to welcome you to Camp Cedar Falls.

We are Family,

Pastor Paulo Tenorio

Theme 2026

Theme: We are Family

Key Text:

"How good and pleasant it is when God's people live together in unity!" Psalm 133:1

Description:

In a world where many people feel alone, disconnected, or like they don't belong, God creates something different: family.

At summer camp, we are more than cabins, churches, schools, or friend groups. We are one family in Christ.

Through worship, adventure, friendships, and unforgettable moments, we'll discover what it means to belong to God and to each other.

No matter your background, personality, story, or struggles, there is a place for you here.

Because in Jesus... we are family.

We are Family
Together. Grow. Go.

Camp Administration

At Camp Cedar Falls, our mission is simple:

to create an environment where every camper feels safe, grows spiritually, and has an unforgettable amount of fun. Our administration and staff are committed to making camp a Christ centered experience where young people can build friendships, discover new interests, and deepen their relationship with Jesus.

1. SAFE

The safety and well-being of every camper is our highest operational priority.

We are committed to:

- Providing trained and screened staff members
- Maintaining proper supervision at all times
- Creating emotionally, physically, and spiritually safe environments
- Following health and safety protocols throughout all activities
- Offering structured programming with clear expectations and accountability
- Responding quickly and responsibly to emergencies or concerns

Our goal is for every parent to feel confident that their child is cared for, protected, and valued while at camp.

2. SPIRITUAL

Camp Cedar Falls exists to help young people experience Jesus in a real and meaningful way.

We are committed to:

- Making Jesus the center of every program and activity
- Creating opportunities for worship, prayer, and Bible study
- Encouraging campers to grow in their personal journey with Jesus
- Building positive Christian friendships and mentoring relationships
- Helping campers understand their value and purpose in Christ
- Creating an atmosphere where the Holy Spirit can work freely

We believe camp can be life changing, and we pray every camper leaves spiritually encouraged and closer to God.

3. SUPER FUN

We believe fun and faith go together. The staff have been brainstorming ways to spice up the activities and be creative in our programming.

We are committed to:

- Creating memorable experiences campers will never forget
- Offering exciting NEW activities, games, and recreation
- Building a positive camp culture full of energy and belonging
- Helping campers disconnect from screens and connect with people and nature

- Encouraging teamwork, laughter, creativity, and healthy friendships
- Making camp a place where every camper feels included and excited to participate

Our desire is for campers to leave camp saying:

“I cannot wait to come back next year.”

Our Commitment to Families

The Camp Cedar Falls administration and staff understand the trust parents place in us when sending their children to camp. We do not take that responsibility lightly. Every decision, program, activity, and policy is designed with these three goals in mind:

Safe. Spiritual. Super Fun.

Thank you for allowing us to partner with your family in creating a meaningful summer camp experience at Camp Cedar Falls.

Before Arriving to Camp

To help us create the best possible experience for your camper, please review the following important information before arriving at Camp Cedar Falls.

1. Read the Parent Handbook

Please carefully read through the Parent Handbook before arriving at camp. The handbook contains important information regarding camp policies, schedules, safety procedures, packing lists, expectations, and contact information.

Being familiar with the handbook helps campers and parents feel more prepared and allows camp check in to run smoothly.

2. Send a Healthy Camper

For the safety and well being of all campers and staff, please do not send your child to camp sick or showing symptoms of illness.

Please check your camper before arrival for:

- Fever
- Vomiting or diarrhea
- Persistent cough
- Contagious rashes or infections

-
- Flu like symptoms
 - Any illness that could place others at risk

If your camper becomes sick before camp, please contact the camp administration for guidance. Helping us maintain a healthy camp environment protects everyone and allows campers to fully enjoy their experience.

3. Cell Phone Policy: Cell Phone Free Zone

Camp Cedar Falls is designed to help campers disconnect from screens and reconnect with God, friendships, nature, and the camp experience.

Camp is a **cell phone free zone** for campers.

We understand phones are a normal part of everyday life, but one of the greatest gifts camp offers is the opportunity to step away from constant notifications, social media, gaming, and distractions.

Removing phones helps campers:

- Build stronger friendships
- Participate fully in activities
- Improve social interaction and confidence
- Be more present spiritually and emotionally
- Enjoy nature and the camp experience without distractions

If a camper brings a cell phone, camp administration may collect and securely store it until the end of the camp session.

We will have a phone available for your camper to call home if they need to. You are welcome to call but please be aware that for some campers, this can cause homesickness.

4. Leave Valuable Items at Home

Please leave valuable or expensive personal items at home.

This includes:

- Jewelry
- Expensive clothing or shoes
- Gaming devices
- Tablets or laptops
- Smart watches
- Large amounts of cash
- Collectibles or sentimental items

Camp Cedar Falls and the Southern California Conference Youth Ministries Department are not responsible for personal items that are lost, stolen, or damaged.

We encourage campers to bring only what is necessary for a safe, enjoyable, and simple camp experience.

Camper Check In & Arrival

Camper check-in begins on **Sunday at 2:00 PM.**

To help provide a smooth and organized arrival experience, each family will receive a station sign off checklist during check in. All stations must be completed and signed by designated camp staff before a camper may proceed to their cabin.

Check-In Stations

The check in process includes the following stations:

Registration Check In

Families will confirm camper information, emergency contacts, and required forms.

Nurse's Station

Our medical staff will review medications, health information, allergies, and any medical instructions needed during the week.

Head Check

As part of the Camp Cedar Falls check in process, every camper will receive a head check to help prevent the spread of lice during camp.

If live lice are found on a camper, the camper will need to leave campus with their family to receive treatment. Campers may return to camp 24 hours after treatment has been completed. Upon returning, a second head check will be conducted to ensure that no live lice remain before the camper may rejoin camp activities.

If only lice eggs (nits) are found, proof of treatment completed within 24 hours prior to check in must be provided. Examples of acceptable proof include a time stamped photo or receipt for lice treatment products. This policy helps reduce the possibility of eggs hatching or spreading during the camp week.

Please note that Camp Cedar Falls does not provide lice treatment on site. We appreciate your cooperation in helping us maintain a healthy and safe environment for all campers and staff.

Camp Store

Our Camp Cedar Falls Camp Store will be open throughout the week and will offer a variety of snacks, drinks, Camp Cedar Falls merchandise, and exclusive SCC Youth apparel and items.

This year, we are excited to offer special SCC Youth gear and camp themed merchandise for campers and families to enjoy.

Parents may also arrange payment with the camp store staff during check in so campers can purchase approved snacks or items throughout the week without needing to carry large amounts of cash.

Campers will have designated opportunities during the week to visit the camp store with their cabin groups under staff supervision.

Once all stations have been completed and signed off, families will be directed to their camper's assigned cabin.

Our counselors and staff will be ready and excited to welcome campers and help them get settled in for an incredible week at Camp Cedar Falls.

Camper Health, Forms, and Medication

YOUR CAMPER'S HEALTH HISTORY

Each camper's Health History Form must be completed during camp registration and should include:

- Immunization history
- Current medications (prescription and over the counter)
- Allergies
- Dietary restrictions
- Chronic or long-term health conditions
- Activity restrictions
- Emergency contact information
- Authorization for medical treatment

All health information will be reviewed during check in. Parents/guardians are responsible for updating any medical changes before arrival at camp. Please update your camper's online health information if there have been any recent illnesses, medication changes, injuries, allergies, or other medical concerns since registration.

In accordance with California camp and health regulations, Camp Cedar Falls reserves the right to review all health forms and request additional information if needed to provide safe care for campers.

IMMUNIZATION INFORMATION

Camp Cedar Falls follows California health and safety guidelines for youth camps. If your camper is exempt from immunizations, a copy of the exemption or waiver documentation must be provided at check in or uploaded during registration.

CAMPER HEALTH & PARENT NOTIFICATION

Camp Cedar Falls provides an on-site Camp Nurse during all summer camp sessions. Additional trained medical personnel may also be available throughout the week depending on camp attendance and programming needs.

Our health staff oversee:

- Medication administration
- Basic first aid
- Camper wellness assessments
- Monitoring illness or injury concerns
- Emergency response coordination

The health team is available throughout the day and evening while camp is in session.

If a camper becomes ill or injured during camp, parents/guardians will be contacted under the following circumstances:

- If a camper is treated multiple times for the same concern without improvement
- If a camper develops a fever of 100.4°F or higher
- If a camper must remain in the health center for an extended period of time

- If an injury or illness may require outside medical evaluation or treatment, including possible stitches, x rays, infections, breathing concerns, allergic reactions, or other significant medical issues
- If emergency medical care becomes necessary

Minor concerns such as small cuts, headaches, splinters, mild dehydration, or minor rashes may be treated directly by the camp health staff without immediate parent notification unless symptoms continue or worsen.

In the event of a medical emergency, Camp Cedar Falls will contact emergency responders and parents/guardians as quickly as possible.

CAMPER MEDICATIONS

ALL medications must be turned in to the Camp Nurse during check in, including:

- Prescription medications
- Over the counter medications
- Vitamins
- Herbal supplements
- Inhalers
- EpiPens

If your camper has a condition requiring immediate access to emergency medication, such as severe allergies, asthma, diabetes, or seizures, please notify the camp health staff before arrival.

Camp Cedar Falls may require an additional backup inhaler or EpiPen to remain with the Health Center during camp.

TURNING IN MEDICATIONS

- All prescription medications must be in the ORIGINAL pharmacy labeled container
- All over the counter medications must remain in ORIGINAL packaging
- Vitamins and herbal supplements must remain in ORIGINAL containers
- Medications should be placed in a sealed zip lock bag labeled clearly with the camper's first and last name
- Please include complete dosage instructions on the Health Form and registration account
- Only send enough medication needed for the camper's stay, plus one or two extra doses if appropriate

For the safety of all campers, medications not properly labeled or not in original containers may not be accepted.

PICKING UP MEDICATIONS

- Camper medications will be returned at the end of the camp session during checkout
- Parents/guardians are responsible for collecting all remaining medications before leaving camp, there will be a medication table in the pickup line for you to get the campers medication to take home.
- Any medication left behind may be discarded according to California health and safety regulations

IMPORTANT HEALTH & SAFETY NOTES

- Camp Cedar Falls is in a mountain environment. Campers should inform staff immediately about bee stings, allergic reactions, breathing difficulties, dehydration, or injuries.
- Parents should not send campers who are actively sick, contagious, or experiencing fever, vomiting, diarrhea, or other significant symptoms within 24 hours before camp arrival.
- Camp Cedar Falls follows California youth camp health and safety standards to help provide a safe environment for all 20 campers and staff.

MENTAL AND EMOTIONAL HEALTH

At Camp Cedar Falls, our goal is to provide every camper with a safe, Christ centered, fun, and meaningful summer camp experience. Our program includes worships, outdoor activities, team games, cabin life, and a structured daily schedule designed to help campers grow spiritually, socially, and emotionally.

Because camp life is active, social, and involves transitions throughout the day, some campers with emotional, behavioral, developmental, or special support needs may experience additional challenges during the week.

If your camper has an IEP, 504 Plan, IPP, behavioral support plan, emotional or mental health concern, sensory sensitivity, anxiety, ADHD, autism spectrum diagnosis, or any other significant need that may help us better support them, we kindly ask that you contact us prior to camp.

This information allows our leadership team, counselors, and camp staff to prepare appropriately and provide the best possible care, supervision, encouragement, and support for your camper while at Camp Cedar Falls.

Our desire is for every camper to feel safe, included, supported, and valued. We greatly appreciate your partnership, trust, and communication as we work together to create a positive camp experience for your child.

CAMPER DIET

Camp Cedar Falls provides nutritious vegetarian meals for all campers and staff throughout the week. Our menu is designed to offer balanced, kid friendly meals that support an active camp environment.

If your camper has food allergies, dietary restrictions, or special dietary needs, please contact the youth department office prior to camp. Early communication is extremely important so our food service and camp staff can determine how best to accommodate your camper safely and appropriately.

Snacks and treats may be available for purchase at the camp store during downtime. However, camp store snacks are not intended to replace regular meals.

HOMESICKNESS

Homesickness is a normal part of the camp experience for some campers, especially during the first day or two of the week. Even campers who are excited about camp may experience moments where they miss home, family, routines, or familiar comforts.

At Camp Cedar Falls, our counselors and staff are trained to encourage, support, and help campers adjust in healthy and positive ways. Most campers settle in quickly as they build friendships, participate in activities, and become involved in cabin life and worship experiences.

Parents can help prepare their camper for success by:

- Speaking positively and confidently about camp
- Avoiding “rescue promises” such as “I’ll come pick you up if you miss home”
- Encouraging independence before camp begins
- Helping campers understand that missing home is normal and temporary
- Packing familiar and comforting items such as a Bible, family photo, or favorite blanket

If a camper experiences homesickness during the week, our staff will work closely with them through encouragement, involvement in activities, connection with cabin counselors, and emotional support.

For this reason, we strongly encourage parents not to call or text campers during the week unless there is an emergency. Direct communication with home can sometimes intensify homesickness and make adjustment more difficult.

If significant concerns arise, camp leadership will contact parents directly. Our goal is to partner together to help every camper have a safe, healthy, spiritually uplifting, and memorable experience at Camp Cedar Falls.

BEDWETTING

Every effort will be made on our part to prevent accidents. Bedding is handled discreetly and is washed by our camp staff before being returned to a camper's bed. This is done quietly to protect the camper's privacy. Please send extra bedding if you think they will be needed and discreetly inform the counselor upon dropping your camper off in their cabin so they can be on the lookout.

CONTACTING YOUR CAMPER AT CAMP

PHONE CALLS

We understand the desire for parents and guardians to stay connected with their camper while they are at camp. However, the risks and distractions of allowing campers to have cell phones continue to outweigh the benefits within the camp community.

Because cell phones can distract campers from fully engaging in camp life, Camp Cedar Falls is a **cell phone free zone** for campers and for most of our staff as well. We know communication is important, but we also want your child to enjoy their week at camp.

A phone will be available through the camp office if necessary. Parents are welcome to contact the office if there is an emergency or important need. Please understand that frequent communication can sometimes increase homesickness for campers.

During your child's week at camp, a parent/guardian will be contacted if:

- Your camper becomes ill or develops a fever over 100°F
- Your camper requires off site medical treatment
- There are questions regarding medications or healthcare needs
- Your camper is unable to function in a healthy way within the camp community

Any cell phone sent with campers will be held in the camp office until the end of the session.

MAIL & EMAIL MESSAGES

Campers LOVE receiving letters and notes from home, even teenagers. We encourage families to write to their camper throughout the week. A simple note from home can be encouraging and meaningful while helping your camper remain engaged in camp life.

Please address mail this way:

CAMPER'S NAME

Camp Cedar Falls

P.O. Box 1134, Angelus Oaks, CA 92305

Letters and care packages are distributed during the week by camp staff.

If sending a physical letter is not possible, you may also send a message by email.

Please send camper emails to: **nbarriga@sccsda.org**

Emails will be printed daily and delivered to campers during lunch and flag lowering. Campers may not reply to emails, but they greatly enjoy receiving notes from home.

HELPFUL TIPS FOR WRITING TO YOUR CAMPER

DO

- Send frequent encouraging letters, postcards, or emails
- Ask simple questions about camp activities and new friendships
- Share positive messages from siblings, grandparents, or pets
- Send a letter before camp begins so it arrives early in the week
- Encourage independence, confidence, and fun experiences
- Provide your child with self addressed, stamped envelopes if you would like them to write home

DON'T

- Emphasize how much you miss your child in ways that increase homesickness
- Discuss stressful situations happening at home during camp week unless necessary
- Tell your camper how much fun everyone is having without them
- Send electronics, magazines, or distracting media items
- Encourage campers to ask to come home early unless there is a true emergency

CARE PACKAGES

Care packages are welcome, but we encourage families to keep them simple. Please avoid sending valuable items, electronics, excessive candy, energy drinks, or anything that may attract insects or wildlife into cabins.

Small encouraging notes, favorite snacks, photos, or encouragements are always appreciated by campers.

Instead of mailing a care package, you may leave a care package with our staff during check in to be delivered to your camper on a specific day during the week.

CAMP DRESS CODE

At Camp Cedar Falls, our goal is for campers and staff to dress modestly, respectfully, and appropriately for all camp activities. Camp is an active outdoor environment, and clothing should reflect Christian values while also being practical for safety, recreation, worship, and community life.

Campers who are not dressed appropriately will be asked to change. To help avoid embarrassment or inconvenience, we ask parents and guardians to review all clothing before packing for camp.

GENERAL GUIDELINES

- Clothing should be modest, comfortable, and appropriate for outdoor camp activities
- Pants, shorts, and shirts should fit properly and not be excessively tight, oversized, ripped, or revealing. Yoga pants and leggings or other skin tight leggings are not appropriate for camp as outerwear.
- Clothing with offensive language, inappropriate graphics, alcohol, drugs, sexual references, or non-Christian messaging is not permitted
- Shirts must fully cover the chest, back, and midriff area always. No low-cut shirts/blouses/dresses etc. front or back.
- No see-through clothing
- Skirts and dresses must be knee length or longer

- Tank top straps should be modest and appropriate for camp activities. All straps must be at least 2 inches thick over shoulder
- Shorts should be an appropriate length for active camp participation
- Pajamas are for cabins only and should not be worn during daytime activities or meals
- Closed toe shoes are required for many camp activities for safety reasons
 - No jewelry or chains
 - Make up should look natural
 - No white or two piece bathing suits or speedos.
 - Campers should wear shorts and a shirt or appropriate cover up when walking to and from waterfront areas

If a camper is unsure whether something is appropriate, they are encouraged to ask their counselor or camp leadership before wearing it.

Some camp appropriate clothing items may be available at the camp store if needed. Thank you for helping us create a positive, respectful, and Christ centered environment for every camper.

WHAT SHOULD MY CAMPER PACK?

Please use the following list as a helpful guide when preparing for camp. Camp Cedar Falls is an outdoor mountain environment, so campers should pack for warm days, cool evenings, and possible weather changes.

We recommend labeling clothing and personal items whenever possible.

Suggested Packing List

- Bible
- Sleeping bag or bedding (twin fitted sheet and blanket)
- Pillow and pillowcase
- Towels and washcloths
- Toiletries (toothbrush, toothpaste, soap, shampoo, deodorant, etc.)
- One-piece swimsuit for girls; swim trunks/shorts for boys
- Water shoes or flip-flops
- Shorts
- Pants or jeans
- T-shirts and comfortable camp clothing
- Sweatshirt or hoodie
- Pajamas
- Socks and underwear
- Closed-toe shoes
- Hat or cap
- Refillable water bottle
- Flashlight
- Sunscreen
- Insect repellent (bug spray)
- Notebook and pen/pencil
- Plastic bag for wet or dirty clothing
- Sabbath attire
- Light jacket for cool evenings
- Wristwatch
- Self-addressed, stamped envelopes (optional)
- 90's theme attire (Teen Week)
- 4th of July-themed attire (Junior/Tween Week)
- Self addressed stamped envelopes (optional)
- Neon-colored attire
- Christmas pajamas or festive Christmas attire
- Hawaiian attire

WHAT SHOULD CAMPERS LEAVE AT HOME?

To help create a safe and distraction free environment, we ask families to thoroughly check luggage before arriving at camp.

Please do NOT bring:

- Cell phones
- Tablets, gaming systems, or unnecessary electronics
- Expensive valuables
- Weapons of any kind
- Alcohol, tobacco, vaping products, or drugs
- Fireworks or explosives
- Lasers
- Inappropriate clothing
- Revealing swimwear
- Non prescription medication
- Anything considered unsafe, illegal, or disruptive to the camp environment

VISITORS & CAMP SAFETY

Unfortunately, no visitors allowed during the week. At Camp Cedar Falls, our priority here is SAFETY. All camp staff and volunteers complete the appropriate screening, background checks, and training required to work with children and youth in California. Because we are committed to maintaining a safe, secure, and distraction free environment, visitors are generally not permitted on camp property while camp is in session.

Our goal is to allow campers to fully experience camp life, build friendships, participate in activities, and grow spiritually without unnecessary interruptions throughout the week.

SPECIAL EXCEPTION: SABBATH BAPTISM

One special exception to our visitor policy is our Sabbath baptism celebration. Families and invited guests are welcome to attend the baptism service in support of campers and young people making decisions for Jesus through baptism. Guests may arrive beginning at 4:00 PM.

Visitors attending the baptism service must remain within the designated event areas and follow all instructions provided by camp staff and administration.

For the safety and security of all campers:

- Visitors may not enter cabins or wander throughout the campground
- Visitors may not participate in regular camp activities unless approved by camp administration
- All guests are expected to respect camp policies, schedules, and staff directions
- Anyone not following these guidelines may be asked to leave camp property immediately

CAMPER PICK UP

Camper pick up will take place the following Sunday between 9:30 AM and 11:30 AM.

For the safety and security of all campers, only individuals authorized by the parent or guardian will be permitted to pick up a camper. The person picking up your camper must present a physical photo ID at check out. Camp staff will not release a camper without proper identification.

Please make every effort to arrive on time for camper pick up. If you are unable to pick up your camper during the designated time, please make arrangements ahead of time with a trusted family member, guardian, or church member authorized to pick up your camper.

Following camper departure, our staff has a very limited window to reset camp, clean facilities, meet with staff, and prepare for the next group of campers. Unfortunately, we are unable to provide extended supervision for campers after the scheduled pick-up window.

Before leaving camp, please remember to:

- Stop by Lost and Found to check for any missing belongings
- Visit the Camp Store for any final purchases or remaining camper balances

Any items left behind in Lost and Found after camp concludes may be donated. Any unused camp store funds not claimed by the end of the session may be donated to the SCC Youth Department to support future youth ministry programs and camp improvements.

EMPLOYEE SELECTION

EMPLOYEE SELECTION, BACKGROUND CHECKS, & STAFF TRAINING

At Camp Cedar Falls, the safety and wellbeing of every camper is one of our highest priorities. Each staff member goes through an application and interview process and is prayerfully selected before being hired to serve at camp.

All camp staff are required to complete the appropriate California background screening and child safety requirements before working with campers. These include:

- Live Scan fingerprint background check through the State of California
- Criminal history screening
- Sex offender registry check
- Reference checks
- Child safety and abuse prevention training
- Camp policy and emergency procedure training
- First aid and safety orientation for assigned staff roles

In addition, our staff receive training in camper supervision, behavior management, spiritual leadership, emergency response, and maintaining a safe and Christ centered environment for all campers.

Food service staff are trained and certified in proper food handling and sanitation procedures according to California health standards.

CAMPER TO STAFF RATIOS

Camper-to-Staff Ratios – Ratios of staff who are on duty and supervising campers in units or living area during unstructured time and in general camp activities should be the following minimums:

Camper Age	Number of Staff	Overnight Campers	Day-only Campers
5 Years and Younger	1	5	6
6-8 years	1	6	8
9-14 years	1	7	10
15-18 years	1	10	12

Staff must assure that at least (2) camp staff are present at all activity programs when campers are participating.

CABIN & LODGING ASSIGNMENTS

Cabin assignments are organized before camp begins based on age, gender, availability, and camper requests whenever possible.

We encourage families and campers to communicate early regarding cabinmate requests. While we will do our best to accommodate requests, we cannot guarantee all requests due to space limitations and supervision requirements.

For the privacy and safety of all campers, we are unable to share cabin assignments or personal information regarding other campers.

Once cabin assignments are finalized, changes may be limited unless approved by camp administration for special circumstances. Thank you for helping us create a safe, organized, and positive camp experience for every camper.

13.

LOST & FOUND

We highly recommend that families create a checklist of everything their camper brings to Camp Cedar Falls and place it inside their luggage. This helps campers keep track of their belongings throughout the week and during check out.

Please label all clothing, water bottles, towels, sleeping bags, and personal items with your camper's name using a permanent marker or laundry label whenever possible.

Camp Cedar Falls will make every reasonable effort to return lost items while campers are at camp. Campers are encouraged to regularly check the designated Lost & Found area during the week.

Items remaining after the close of the camp season that are not claimed may be donated.

Camp Cedar Falls and the Southern California Conference are not responsible for lost, stolen, or damaged personal belongings. We strongly encourage campers to leave expensive or irreplaceable items at home.

If you realize something is missing after returning home, please contact camp administration as soon as possible. The sooner we are notified, the more likely we are to locate the item.

14. PARENT FEEDBACK

PARENT FEEDBACK & EVALUATION

We deeply value feedback from parents and guardians regarding their camper's experience at Camp Cedar Falls. Our desire is to continually improve our program, support our staff, and provide a safe, Christ centered, and meaningful camp experience for every camper.

If you have concerns, questions, or would like to share feedback during the camp session, we encourage you to contact our Camp Director at **ptenorio@sccsda.org**

We also love hearing positive stories and encouragement regarding staff members, counselors, activities, worship experiences, and your camper's week at camp. Your encouragement means a great deal to our team.

Following camp, families may receive a Parent Evaluation Form by email. Your honest feedback is greatly appreciated and helps us continue improving Camp Cedar Falls for future campers and families.

Thank you for partnering with us and trusting Camp Cedar Falls with your camper this summer of 2026.
