WELCOME TO CAMP COOPER

Dear Parents & Guardians,

We are delighted you have chosen Camp Cooper for your child this summer! Camp Cooper is a family business. We love summer camps and we have nearly 20 years of experience running summer camps and believe wholeheartedly in the positive impact Camp can have on young people.

After a tough couple of years for children and teenagers, an adventure at Camp Cooper will be a fantastic opportunity for kids to have fun, be silly, and make friends. We have created a place where children feel safe; emotionally and physically safe. We have created a place where children can create memories that will last a lifetime, friendships that span the globe, and learn values that will make them more independent, confident, and ultimately happier young adults.

We do this by creating an atmosphere full of positivity, encouragement, and silliness - children can be children. Without the normal pressures of how they look on social media or how well they are doing at school, children can enjoy themselves and have an adventure without the usual pressures of normal life.

This guide has been designed to help you and your child as you prepare for Camp together. We encourage you to read through the material with your camper. Our goal is to work together with our camper families to ensure the best possible experience for all. After reading this, please feel free to contact us with any questions you may have. We look forward to seeing you soon

WELCOME TO CAMP COOPER - YOUR CAMP MANAGER

CAMP MANAGER BROOKE STEWART

I grew up in Perthshire, very close to camp! I graduated from Glasgow University with a BSc Hons in Environmental Science and Sustainability, however found out quite quickly that camp was my favourite place to be.

I love spending time outdoors, mountain biking, walking, paddle boarding, wild swimming, and wild camping, anything wild and outdoors! However, no adventure is complete without my dog Tattie to keep me company!

I have experience working with young people from lots of different backgrounds, from teaching English in the Spanish countryside to Geography in the English Lake District and lots of fun jobs in between, and not to forget my awesome summers at Camp Cooper! I started my time at Camp Cooper as an English Counsellor, however, threw myself into every elective and experience! Now as the Camp Manager, I can ensure camp is the most magical place for everyone!

OUR SPECIAL SUMMER CAMP ENVIRONMENT

MAKING YOUR CHILD FEEL SPECIAL

Sending your child to Camp Cooper is sending your child to a place where we will look after them and care for them as if they were our own. Your child won't just be a number at Camp Cooper, we have a maximum of 120 campers at any one point and we ensure everyone feels part of the Camp environment.

Our staff will look out for what makes your child special - it might be their kindness, it might be that they put other's needs in front of their own, it might be that they work hard to be a great football player, it might be that they make their bed every day without being asked - no matter what your child does, our staff will look out for what makes your child special and will tell them.

At Camp Cooper, it's not about being the most sporty or academic, it's also not about being the coolest - it's about learning to be a great person, being a great friend, how to help others and be kind. These are the special things that our staff will look out for. Praise and positive reinforcement will make children at Camp Cooper feel like a million dollars and will go home more confident and more willing to try new things.

COMMUNICATING WITH CAMP DURING THE SUMMER

How to Contact Us

- >If you need anything, whilst your child is at Camp - please contact us!
- >To help the summer run smoothly, please ask any questions you have before Camp starts in July.

Emails / Phonecalls

As we are often busy running activities during Camp, please contact us via email for non-urgent issues.

If you have an urgent request - please give us a call at anytime

If you have a request that is to do with travel plans, elective activities or other non-urgent questions, please email:

OUR GOALS

- »»» **As a result of Camp** - Campers will develop self-confidence and self-respect, based on an appreciation of their own worth as individuals.
- »»» **As a result of Camp** - Campers will develop new and existing skills through activities and interacting with others.
- »»» **As a result of Camp** - Campers will explore their imaginations to increase and expand their creative thinking.
- »»» **As a result of Camp** - Campers will take on challenges of being a leader and increase their communication and teamwork skills.
- »»» **As a result of Camp** - Campers will build positive relationships with others and work towards intercultural and worldwide cooperation, based on an appreciation of the worth of all people.

PREPARING FOR CAMP

If this is your child's first time away from home or you are worried they might become homesick, please use the following tips to help:

- > **Avoid promises to pick up your child. Instead, reaffirm that they will enjoy themselves.**
- > Discuss ways that your camper can deal with missing home or feeling sad.
- > Let your camper know that their counsellors are there to help and listen to them and that it is okay to miss home. Some parents worry that talking about homesickness before Camp will “bring it on”. The more homesickness is discussed ahead of time, with positive messages about how the camper will succeed and tools they can use while at Camp, the more successful a camper’s experience tends to be.
- > Read about Camp together. Help your camper prepare for Camp by picking the electives together, discussing what they are looking forward to most, discussing arrival and departure day, the daily schedule, electives and the all-camp activities.
- > Pack for Camp together. Getting your camper to help pack for Camp starts them being on an independent adventure at Camp Cooper. It will also help them know what clothing and items they have at Camp.

CAMPER RULES

To keep Camp a safe, healthy and fun environment, we have clear standards and expectations for appropriate behaviour in our campers and staff. Please review this code of conduct with your camper so that you both understand our expectations.

- » **1. Follow safety rules:** Campers are expected to obey all rules that apply at Camp (these are communicated on the first day at Camp)
- » **2. Stay on site at all times:** Campers should stay on the Campsite at all times, except when there are pre-organised off-site trips led by Camp staff.
- » **3. Stay in own gender residential cabins:** Campers must stay in their own accommodation areas
- » **4. Be in your cabin after 9.30pm (Juniors), 10.30pm (Seniors)**
- » **5. No alcohol, vaping kits, cigarettes, illegal drugs or penknives.**
- » **6. Respect and include other people:** Campers should treat each other and staff with respect at all times. They should not fight or talk or act towards others in a disrespectful way. They should strive to build an inclusive community - bullying & excluding others is not accepted at Camp. People of all genders, sexuality, nationality and religions are always respected and treated as equals at Camp. **Swearing in any language is not appropriate at Camp.**
- » **7. Mobile phones to be accessed once a day:** Mobile phones can be accessed once a day: We will keep mobile phones safe and locked away in our Camp office.
- » **8. Challenge yourself (in other words, take part):** Campers are expected to take part in everything that happens. However, this does not apply if doing so would put them at risk (possibly due to exhaustion) or significantly upset them.

CAMPER RULES

Living in an international environment

Camp Cooper is a special environment - we are so lucky to welcome campers from over 50 countries each summer.

This is an important part of Camp - we celebrate campers from different countries, races, religions, backgrounds, genders, and cultures and bring them together to learn from each other, make friendships, and have a fantastic summer adventure.

Camp is a place where everyone should feel safe - both physically and emotionally and not a place where political views and world events should be shared and discussed.

Instead, we will focus our summer on treating each other with kindness, empathy, and equality, and finding out what we have in common and ultimately, we want kids to be kids and focus on being silly, having fun and making friends.

MOBILE PHONES / ELECTRONICS AT CAMP

Phone Policy / Procedures

Important Information - Changes for 2026

Camp offers a unique opportunity for campers to unplug from technology. Time away from screens encourages independence, confidence, and meaningful connections with peers. At the same time, we understand how important it is for campers to stay in touch with their families.

From 2026 onwards, electronics time at camp will be limited to a short 20-minute window, intended specifically for campers to call home and check in with their parents or guardians.

We strongly believe that camp should be a space away from social media. As such, social media platforms including Facebook, Instagram, TikTok, and similar apps will be disabled on the camp Wi-Fi. As we are unable to monitor individual devices to ensure social media is not accessed via personal mobile data, we kindly ask parents and guardians to speak with their camper in advance about our expectations and the importance of not using social media during their time at camp.

Thank you for your support in helping us create a positive, engaging, and technology-light camp experience for all campers

- Campers will be allowed access to their mobile phone once a day for **20 minutes** between **11:50 – 12:10 GMT**.
- On the first day of Camp, Counsellors will safely store camper's mobile phones in the Camp office.
- Counsellors will ensure campers gain access to their phones once a day to contact home.
- If you are sending your child to Camp with a phone, please make sure they have a charger and a UK adapter
- Campers are not allowed to bring laptops, tablets (iPads) or gaming devices
- We would recommend not bringing AirPods or expensive ear/headphones to Camp

HEALTHCARE AT CAMP (PART 1)

Good health and safety are priorities for us. Our staff are trained to maintain high standards and take all necessary precautions. However, accidents do happen and rest assured that your camper is in good hands with our competent, experienced and trained staff. Here are some of our approaches in case of injury or illness

- In case of accident or illness, campers are cared for by our Camp Nurse - we will have a nurse on-site most of the time who will be responsible for everyone's health whilst at Camp.
- If your child is unwell or is injured (apart from very minor cuts & falls), we will call you right away and keep in contact with you.
- If required, we will organise an appointment with the local doctors
- In case of an emergency, campers are taken to the local Accident and Emergency Room (via ambulance or via our Camp vehicle depending on the situation)

Other Information

- If a child is unwell at Camp, our nurse will look after them. We will give them lots of love, attention and care.
- If your child displays transmittable symptoms such as vomiting, diarrhoea, or the flu, your camper will be placed in an isolation area. Campers are kept in these areas for 24-48 from the last episode. We will be in regular contact with you in these cases
- Our first aid supplies are stocked with over-the-counter pain relievers in both child and adult doses so there is no need to send these with your camper.

Travel Insurance & Healthcare Costs

All international campers must have their own travel insurance for any health issues as well as in case of any flight problems.

All campers from the EU should bring their EU Health Card to Camp

Any health care costs such as doctors appointments or medication prescribed as a result of an injury or illness while at Camp are billed to your family's medical insurance or directly to parents/guardians.

Camp is not responsible for any medical charges incurred while your child is at Camp.

HEALTHCARE AT CAMP (PART 2)

Medication

All medications, including prescription, non-prescription and vitamins, are stored in the Camp Office. Here are our procedures if your child needs to take regular medication at Camp:

- > All medications must come in original containers.
- > Prescribed medications must have the pharmacy label, the name of the medication, the dosage, directions for administration, and the child's name.
- > Whenever possible, a copy of the doctor's prescription or letter may be sent to clarify any discrepancies.
- > All non-prescription medication must be in their original containers, clearly labelled with the child's name, name of the medication and direction for use.
- > All medication will be made available by one of the nurses or designated members of staff. Usual medication times are after breakfast, after lunch, after dinner and before bedtime.
- >We do not dispense medications directly to campers. Your child's medication will be made available to them at the designated time by the nurse or designated staff member. It is important that your child knows what medication(s) they take, what dosage they take and the time they take it.**

Girls Only

If you have a daughter nearing puberty, discuss the possibility of menstruation beginning while at Camp.

Feminine hygiene products are available in the Camp Office for emergencies, although we suggest you pack supplies so your daughter is adequately prepared.

We encourage you to share any concerns with one of the Camp Directors and let your daughter know that she can speak with her counsellors if she has questions or needs

Medication Vacations

Some parents consider it in their child's best interest to remove or reduce the dosage of some behavior management drugs, such as Ritalin, while their child is at Camp.

It is our experience that "Medication Vacations" can cause difficulties for campers and their cabin mates. If you are considering this option for your camper, please call one of the Camp Directors, who can discuss this option with you.

CAMP ACCOUNT & CAMP STORE

Managing Money & Valuables at Camp

Bringing Money to Camp

Please send your child to Camp with a bank card or UK pounds in cash of around £100. This is for the following optional reasons:

- Money for the trip (to buy a souvenir if they want to (we give all campers a packed lunch and snacks but campers often like to buy lunch or a snack themselves))
- Buy a hoodie, t-shirt or another item from the Camp store (please see list on this page)

A daily snack will be made available for all campers in the afternoon, free of charge. Examples include twix, mars bar, tunnocks tea cakes (we cater for all dietary requirements)

If you would like your camper to not have snacks available to them, please email
crieffparentsupport@internationalsummercampuk.com

We do not allow outside food to be brought in as food cannot be stored or consumed in the accommodations

The Camp Store

The Camp has a store where souvenirs and a few necessities that might have been forgotten can be purchased.

- T-shirt
- Sweatshirt/Hoody
- Sweatpants
- Waterbottle
- UK Plug adapter*
- Towel
- Toothbrush
- Toothpaste
- Shampoo
- Shower Gel
- Laundry
- Use of Camp mobile to call home

*Campers should bring their own UK adapter. Adapters and chargers cannot be shared with other campers.

CABIN ASSIGNMENTS

What is a cabin group?

A cabin group is a group of campers roughly the same age and the same gender who stay in an accommodation room together, sit together at meal times, have 1-2 counsellors look after them, do an activity together before dinner, are usually together during the evening special event and is where the closest friendships are usually made.

Why are cabin groups important?

Cabin groups give campers a place at Camp - it is their mini-family at Camp. Campers feel part of and connected to their cabin group and it is where the strongest friendships and memories are created. It ensures campers always have a place to sit in the dining hall and feel a connection to their closest friends. Between 1-2 counsellors look after the cabin group and are the main staff person for the group. They are responsible for ensuring the campers get to know each other, deal with any issues such as homesickness, recognise if your camper is having a hard day, run activities for the group, be a positive role model for them and ensure they have a special experience at Camp.

How many campers are in a cabin group?

Between 8-12 campers are in a cabin group

Can you request to be in a cabin group with a friend?

Yes! We allow friendship requests as long as the two campers are within 1 year of each other

Can I request to be with campers who are NOT from my country?

Unfortunately not. We limit the number of campers from any nationality (except the UK) to 20%. However, as we are a relatively small Camp with 120 campers, sometimes there is more than one camper from the same nationality who are the same age and the same gender. Where possible, we try and split nationalities but please understand that it is not always possible.

How many nationalities attend Camp Cooper?

Each summer we have over 50 nationalities attend Camp Cooper. We get campers from the UK, mainland Europe and the rest of the world

How many campers attend from each nationality?

We allow a maximum of 20% from each nationality (except from the UK). This is to ensure that there is a fantastic international mix and English is the main language spoken

CABIN GROUPS

All About Cabin Groups

Cabin Privacy

The accommodations are comfortable and homely. Males and females are in entirely different accommodations. Juniors and seniors are also in different accommodation areas.

Most of our accommodations have large rooms where a group of campers sleep. As a result, there is limited privacy available as everyone gets changed in the cabin.

Please speak to your camper prior to Camp about our living situation, especially if s/he gets embarrassed easily or is uncomfortable with this type of set up.

Speaking English at Camp

Camp Cooper is an English speaking summer camp. All activities are taught in English and all campers are expected to try to speak English the entire time they are at Camp.

The reasons for this are that:

- International campers should aim to improve their English whilst at Camp
- Speaking English the entire time gives all campers a common language which helps create better friendships and relationships.

The On-Duty System

From 10.30pm - 12.00am Camp operates an on-duty system where in each boarding house, a counsellor sits in a central location to their respective cabins and perform checks on each cabin every 10-15 minutes.

This system allows counsellors to attend a nightly team meeting where they discuss the day's events, any camper issues and programme activities for the following day.

1ST DAY AT CAMP

What to Expect

Check In

Upon arrival, campers will get a big hello and will check-in at the office. All valuables are taken in by our staff and kept in a locked cupboard in the Camp office for safekeeping. This is extremely important to ensure valuables are kept safe at all times. The valuables that are kept in the office are:

- Passports & flight tickets
- Bank cards, wallets & money
- Phones & any other electronics

Tours of Camp & Orientation

The campers get a tour of Camp by their counsellor, learn the dining hall procedures and general camp policies. In the first 24 hours, the camp counsellors will run endless amounts of icebreaker/get to know you games and facilitate friendships between the campers.

Dinner & Evening Activity

At 6.00pm, all campers and staff meet for our first meal. After this, all our campers meet for our first evening activity for the session.

TRAVEL - ARRIVAL & DEPARTURE

Booking Flights

We recommend booking flights so that your child can be at Camp by 6pm on arrival day (it takes approximately 2 hours for a flight to land and then for someone to get their luggage and travel to Camp on our transport).

We understand that this may not be possible and campers are welcomed by their cabin groups throughout the evening when needed.

Travelling by Plane

- Campers arriving by plane should arrive at Edinburgh Airport between 10am and 5pm
- Campers leaving by plane should have flights booked to leave between 11am – 4pm
- Flight information is submitted to Camp Cooper by **May 1st via the Travel Form**
- The cost of the airport pickup and drop-off service is £65 each way.

Travelling by Train

- For Edinburgh Train Station pickups - please book trains for arriving into Edinburgh Waverley Train Station between 1pm and 2pm only
- For Edinburgh Train Station drop-offs - please book trains for departing Edinburgh Waverley Train Station between 11am and 12pm only
- The train station transfer costs £65 per child each way. This will be added to your child's camp fees.

AIRPORT ARRIVAL & DEPARTURE INFO

Airport Arrival

We are highly experienced at picking campers up from the airport. We know exactly what flights our campers are arriving on and we will have our staff waiting at the arrival gate for your child. Our staff will be wearing bright Camp Cooper t-shirts and they will have a Camp Cooper banner with them.

When we have safely met your camper, we will get them to give you a call so you know we have them safely.

We will have coaches ready to bring your child safely to Camp to start the fun!

What to Expect

Airport Departure

For departure, we will bring your camper to the airport in plenty of time for their flight.

Our staff will help get your camper checked in and then they will bring your camper to the security gate. They will make sure your camper calls you so you know they are all set.

Our staff will not leave the airport until the flight has departed in case there are any last minute problems.

ENGLISH LANGUAGE LESSONS

Camp Cooper is a truly international summer camp with campers attending from the UK and around the world. As some of our campers are learning English as a second language, English language development is an important part of our programme and is taught in two ways.

Our optional English Language lessons are for 2 hours each weekday (morning or afternoon) - these are part of our elective activity programme. On the first day of the English elective, each camper's English level is assessed to ensure campers are learning with those of a similar level. Camp Cooper offers 3 different classes: beginners, intermediate and advanced.

Our English language lessons are designed to give campers maximum opportunities to improve their English and increase their confidence in understanding and using English. At Camp Cooper, we focus on teaching English in a fun, creative and supportive environment

Our English teachers are selected for their ability to bring out the best in all students and our interactive syllabus ensures lessons are engaging, fun and improve each student's ability.

Our structured classes are designed to practice the camper's core skills including grammar, vocabulary, reading, writing and listening with an emphasis on improving the camper's confidence in spoken English.

At Camp Cooper, a key component of developing English language skills for our campers is creating a positive environment where campers can make mistakes, ask questions and put into practice what they have learnt. Our nurturing and challenging environment ensures to bring out the best in our campers. We combine individual learning, small group learning and whole-class learning. It is important for our campers to work together to learn and develop their English language skills. Collaborative learning creates a positive environment through peer-to-peer feedback and encouragement. We believe learning English should be fun and build all of our lessons around this ethos to motivate and encourage our campers to learn while they are at camp and long after they return home.

ENGLISH CLASSES

For Campers Learning English

English Beginners

Our beginner English classes use a fun, creative approach to learning. We combine traditional teaching methods with the use of activities such as games, songs, drama and producing a music video to motivate and inspire our campers. This approach ensures campers receive individual attention from the teacher, improve conversation skills through group work and are eager to learn more.

English Intermediate

Our intermediate classes build on the camper's basic English skills, reinforcing their writing and listening skills while gaining more confidence in spoken English. Campers will learn to develop more complex sentences and develop their vocabulary during their stay at Camp Cooper.

English Advanced

Our advanced syllabus provides a successful blend of opportunities for students to use and develop their English with an emphasis on refining student's conversational skills. Our classes carefully combine individual and group work with creative activities such as producing a Camp newspaper, debate, song writing , deliver a short presentation and planning events.

Important Information on English Classes

English Language is one of the elective activities. If you have signed your camper up for English language lessons, they will be placed in the English Language class for ALL the weeks they are attending Camp Cooper. This means that half of their electives will be English Language classes (8 hours per week). For example, if your camper is attending Camp Cooper for 2 weeks and has selected English language lessons, they will do English for 8 hours in week 1 and in week 2.

If you would like your camper to take English classes for one week only, please select English classes - one week only on the elective activity form.

ELECTIVE ACTIVITIES

- Electives provide campers with the opportunity to plan their own personalised activity schedule. Electives are two hours long and take place each weekday. They focus on developing key skills and personal growth.
- Campers can choose 2 electives per week. We generally recommend picking two new activities for the second week. Please pick Outdoor Adventure once during a stay at Camp Cooper as all of the activities stay the same.
- Elective choices are done via the Elective Activity Form on your online. **Please make sure elective choices are filled in by April 1st** and we recommend making these choices with your camper.
- Information on each of our electives, including activities in each elective, skills we focus on for each elective, and photos & videos of each elective can be found on our website: <https://www.internationalsummercampuk.com/activities/electives/>
- Performing Arts is a 2-week elective, so if you are picking this elective, please pick a total of 3 electives for a 2-week session

Elective Activity Choices

- Film Making
- Football
- Tennis
- Performing Arts
- Outdoor Adventure
- Journalism
- Sports
- Creative Superstar
- Golf (£250)

DAY TRIPS

Day Trips at Camp Cooper

Day Trips

Day Trips are organised once during a 2-week session. The trips are designed to introduce campers to Scottish culture and Scotland's vibrant cities & breath taking scenery. They are supervised by our Camp staff and will ensure campers learn about and explore Scotland

Money on the Day Trip

Campers will have the chance to buy a souvenir or go shopping whilst they are on the trip. In order for campers to have access to money whilst on the trip and to ensure that campers are not carrying around large amounts of money, campers will have access to their bank cards - we recommend a maximum of £50 per trip (of their own money).

Summer 2026 Trip

Our day trips for the upcoming summer are currently being finalised, but they all follow a similar, well-structured schedule designed to balance adventure, learning, and relaxation. A typical day trip includes sightseeing and cultural experiences, time for shopping, and often a fun group activity such as bowling or roller skating.

Further details about specific destinations will be shared with families closer to the start of camp.

Supervision on Day Trips

- >Campers are supervised at all times on our day trips due to obvious safety concerns
- >Campers spend the day in their cabin groups and are supervised by the counsellors to ensure the day is fun and safe!

TEEN LEADERSHIP-IN-TRAINING (LIT) PROGRAMME

For Ages 15 - 17 Year Olds

LIT Participants

Our Leaders-in-Training (LIT) programme is for young people aged 15 - 17 years old (**who have specifically signed up to the programme**).

This programme is for those who are ready to take on new challenges, opportunities and responsibilities. Our hands-on learning environment allows LIT's to develop strong leadership skills and building life-skills - all whilst having fun at Camp!

The fun, magical & creative culture of Camp provides the ideal setting to develop important life skills such as communication, problem-solving and cooperation. LIT's will acquire the skills necessary to be a great Camp staff member as well as developing life-skills that will benefit them for university and beyond.

LIT Programme Structure

Elective Activities

There will be 24 LITs during each 2-week session.

Half of the LITs will do an elective in the morning with the other half in the afternoon (elective choices for LITs are made on the Elective Activity Choice Form as usual).

When the LITs are not in their elective they will be taking part in their Leadership Programme called The Team Challenge.

The Team Challenge

Teenagers are placed into teams of around 6 teens and they are given unique & exciting challenges to complete - these are designed to be fun, adventurous and a way of building key life-skills.

The activities are facilitated by our staff and the teams will work together to complete the challenges and in doing so will develop leadership skills, team-working skills and try new & exciting activities.

Our hands-on learning environment allows teens to develop strong leadership skills while putting their new skills into practice on a daily basis.

FOOD AT CAMP

What to Expect

At Camp, we want all campers to eat well and feel good. We expect campers to eat three meals a day, which is necessary to maintain a busy and active schedule. We never force campers to eat food that is not to their liking, but we do encourage campers to try all food items on the table in the form of a "no thank you helping". Unless specified by doctor's orders, we discourage dieting.

We work hard to make sure our menu includes foods to suit all campers. However, we do get campers from around 25 countries so it can be difficult to create a menu that works for everyone's taste.

Breakfast

ANY QUESTIONS?

If you have any questions please email or call us

We want Camp Cooper to be a great adventure for your family. We aim for Camp to be a development programme where children and young people develop key-life skills, make lots of friends and have lots of fun. We aim to work with families over the long-term and our usual return rate to Camp Cooper is around 70%.

If you have any questions about Camp at anytime, please contact us:
