

CAMP BIRD APPLICATION FOR FINANCIAL ASSISTANCE

The Camp Bird experience is designed to help young people grow in their faith together. We want everyone to have this opportunity, regardless of their financial circumstances. Generous donors contribute to a Camper Assistance fund. If your household income is under the "Federal Poverty Level" (or there are other compelling family circumstances), then you are encouraged to apply using the form below. Look at the line on your most recent federal income tax return that reads "adjusted gross income". Depending upon continued availability of donations, you may qualify for a 50% reduction in camp fees if your adjusted gross income falls below the following levels:
