PERFECTLY *imperfect*

Guest Speaker Susie Wood

I am a daughter of the King who, like many of you has to pause from time to time and straighten my crown. Despite all my efforts and striving, I am far from 'Perfect'. It is difficult living in a broken, imperfect world and, quite frankly, I don't know how to make it without the grace of God and help of brothers and sisters in Christ – especially sisters! We need each other. Sometimes we don't even realize that our crown has slipped until a sweet sister reaches up and straightens it for us. That's what we hope to do this weekend – press in to the love of God, worship, open up our hearts to hear from His Word, and receive His comfort, instruction, refreshment, encouragement, healing... My prayer for this time together is that you will receive from the Lord exactly what you have been longing for.

Worship led by Ellie Vitz,

Ellie has had a love for worship for as long as she can remember. She began vocal lessons with Susie at a young age and then started piano lessons with Amy Chaplin when she was in middle school. She has been serving on the worship team at FCC and is currently a student at GLCC where she studies music and aspires to become a worship leader.

Basket Auction

Baskets, baked goods and other items are comprised and donated by churches and individuals attending. The proceeds go to the 2021 ACW project, remodeling the Girl's Staff bathroom in Memorial Hall. It's been a fun addition to the retreat for several years now. Get together with your ladies and fill a cleverly themed basket to donate to the fun.

A prize will be given for the basket voted most clever and for the one that raises the most money for the camp.

Reminders

Be sure to bring your own Bible, bedding and personal items. A jacket is recommended. Keep an eye on the weather.

Registration includes 3 meals, housing and the program. Offering and basket monies allow us to help with camp projects.
