Dear Camp Family,

As we process the events of the last several days, I wanted to inform you of our response to COVID-19. The health and safety of our campers, faculty and staff is always the highest priority at Lake James Christian Camp (LJCC). Global efforts are underway to contain the spread of the virus and mitigate its impact. We are staying abreast of recent developments by monitoring and following the recommendations of the Centers for Disease Control (CDC), Indiana State Department of Health (ISDH), and the Steuben County Health Department guidelines for gatherings and meetings. With the continued spread of the coronavirus disease (COVID-19) within the United States, LJCC has reviewed and updated our health related plans and procedures and are following all current guidelines. If you would like a copy of these please notify the office. This is an ongoing and evolving pandemic situation and we ask for your patience and prayers as we make decisions concerning all future events.

Please see below for camp event status at LJCC:

Cancelled: Assembly of Christian Women (ACW) March and April Meetings
