

For the safety and wellbeing of ALL at camp, no campers (including those 18+), may have their electronic devices while at camp. **Definition of an electronic device implies:** a device that has access to WIFI, data service, or is able to transfer data.

**This includes devices such as cell phones, smart watches, tablets, laptops, gaming consoles, etc.** Campers will be asked to leave their devices safely AT HOME. Devices that arrive at camp will be collected by camp staff, labeled & stored safely and returned at the time of departure. Any devices HIDDEN in luggage will also be confiscated.

Please understand that this means campers will not be able to text, call, be tracked, etc during their time here as a camper, in a group living situation.

**If you are a group leader, please notify your campers' parents about this policy.**

Parents may contact group leaders to check on the status of their camper. In the event of an emergency, parents may call the camp office directly. Campers may write letters & postcards. Parents may "pre-mail" letters so that their camper receives mail while at camp.

Emergency Camp Contacts:

Phone: **909-337-6289 Christi, Program Manager OR 909-337-3800 main line**

Email: [Christi@Alpine.Camp](mailto:Christi@Alpine.Camp); [Micah@Alpine.Camp](mailto:Micah@Alpine.Camp)

Address: Alpine Retreat & Camp ; 415 Clubhouse Drive, Blue Jay, CA 92391

If one would like to request a medical exception to this policy, please notify Micah or Christi with the reason and the parameters for the device's usage. It will be considered.

[Christi@Alpine.Camp](mailto:Christi@Alpine.Camp) or [Micah@Alpine.Camp](mailto:Micah@Alpine.Camp)

Thank you so much for working with us to enforce this among our campers, for the health and safety of all.
