

Packing List and Parent Information

Camp Check List and Check-in/Check-out Times

CAMPER DROP OFF- Friday 5pm (*Dinner will be served at 6pm for the campers*)

CAMPER PICK UP- Sunday 2pm

**Please adhere to these times.*

Process for Drop Off:

Parents/guardians will enter Camp Wingmann for check in and be greeted just within the gate. First, parents will meet with the Office Manager to verify that all paperwork (forms, waivers, and medical history) has been completed. The volunteer nurse for the camp session will verify all medications, dispensation instructions, and pertinent medical information about the camper(s) being dropped off. And finally, the camper(s) will be directed to the cabin in which they are assigned. Families are also given an opportunity to add money to their camper's canteen account (Canteen= a snack shop that opens several times throughout the week where campers can purchase snacks and Camp Wingmann merchandise).

Process for Pick Up:

Parents/guardians will enter Camp Wingmann for pick up and be greeted just within the gate. Parents/guardians will be met by the office manager to verify approved names for pick up with photo ID (please ensure that you have a photo ID when you arrive, and that your name is on the list of approved names to pick up your camper(s), even if you are the primary parent). Campers will be called for pick up from the gymnasium, and will be accompanied to their vehicles by their counselors. Medications will be returned and remaining canteen monies can be donated or refunded back to the family.

Absolutely Do NOT Bring to Camp

Food
Make-up
Expensive jewelry
Electronic equipment (iPads, laptops, wireless speakers)
Valuable items
Weapons, knives, guns
Fireworks, explosives
Illegal drugs, alcohol, tobacco products of any kind – Including e-cigarettes and vaping devices
Pets of any kind

Cell Phone Policy

We do allow cell phones, but we HIGHLY encourage you to send your campers to camp without one. If your child brings a cell phone it will be turned in to their cabin counselors for safe keeping. At least once a day, the phone will be returned to the camper for a period of time so that camper may call home.

Please note: The camp cannot be liable for lost or missing phones. If the camper uses apps requiring data, you may go over your limit and incur additional fees with your phone carrier.

Your child will not be allowed to use camp phones or other camper's devices. If you need to get ahold of your camper, or your camper necessarily needs to get a hold of you, we will plan as necessary. We want to make sure that kids have an opportunity to disconnect and be kids this summer- away from devices and responsibilities at home.

Emergency Situations

At Home:

In case of an emergency situation at home that your camper needs to know about, please call the camp office at 863-453-4800.

At Camp:

In case of an emergency situation at camp while your child is attending, the camp director will contact the parents/guardians and/or the emergency contact listed on the camper's registration, explain the situation, and arrange for pick-up.

In the event of inclement weather, the director will notify the parents/guardians and/or the emergency contact listed on the camper's registration, explain the situation, and arrange for pick-up as necessary.

Other Considerations

Your camper's time here will be filled with fun activities of all kinds, making new friends, singing and worshipping together. They will be active, busy and occupied all hours of the day. Campers find camp to be a highlight for their summer!

Parents of young campers: Your child **MUST** be toilet trained. Do not register your child if he/she still needs pull-ups or still has "occasional accidents". Any questions please call the office.
