### **Please Keep in Mind,**

Camp is full of fun activities, the majority of which take place outside. Please anticipate anything and everything getting dirty. Bring clothes and shoes you do not mind being ruined. Bring a plastic bag for wet or dirty clothes. It is recommended that you bring only one soft sided suitcase or duffle. Bring loose bedding in a trash bag with your camper's name written on the outside.

Kenbrook is not responsible for lost or stolen items. Please put your name on everything! It is almost guaranteed that something will be misplaced at some point during time at camp. Lost and found will be displayed throughout the week for campers to retrieve and at the end of the week parents will also be able to look through any lost and found items that their camper might have lost.

1. Snail mail! Be mindful of mail delay, and send to:  
Camper Name C3 (Cabin number)  
190 Pine Meadow Rd.  
Lebanon PA 17046
2. Prepare and write letters before registration day and leave them with the registration team to hand out on specified days. Make sure to put your camper's name and cabin number when you get it at registration and when you would like them to get the letters.
3. UltraCamp has an integrated email service to make sending letters as easy as sending an email. Simply log into the account that you registered your camper on, find the communication tool to send emails to campers, write your email, and we will print it out to deliver at the next lunch time. Please note that letters received at or around lunch time on Friday will not be delivered.
