WELCOME TO SILVER CAMP

Silver Bay YMCA's Silver Camp is designed to provide kids with opportunities to try new things, gain confidence, and to build positive relationships with others.

Whether your stay with us is long or short, your children will enjoy their time playing games and participating in sports, exploring nature, making crafts, and meeting new people.

OUR MISSION

To cultivate relationships, strengthen communities and nurture spirit, mind and body for all.

OUR IMPACT

Because of Silver Bay YMCA, connections between people and family are stronger. People are more connected, respectful and caring. They have the confidence to develop to their full potential and to positively impact the communities in which they work and live. As a result, communities are more dynamic, comprehensive and varied. As stewards of Lake George, we inspire people to be stewards of the environment while they are visiting our magnificent campus and in their home communities.

SIGN-IN AND SIGN-OUT PROCEDURES

An approved adult must sign each child in and out daily at each designated location. Parents/guardians will need to fill out an "Adults Approved for Pick-Up" form during the registration process. Campers will not be permitted to leave with any adults not listed on this form unless discussed with and approved by the Camp Coordinator. Anyone picking up campers should have and be prepared to show ID, although this will not be required daily for adults familiar to our staff. Older children in Ravens and Teen Camp (Eagles) can sign themselves out if a parent/guardian has completed the "Self Sign Out" form on the Silver Camp registration portal. They may also sign out younger siblings in camp if granted permission through the "Sibling Sign Out Form".

Please note that camp staff will not be available to accept drop-off's before 8:15am and after 8:30am as camp groups may leave their home bases after this time. Campers must be registered for Breakfast Club in order to be dropped off at the Children's Pavillion during the Breakfast Club window and may not arrive before 6:30am and after 7:30am.

Approved adults are welcome to sign out their campers at any point as needed. Camp groups will often be away from their home bases as they do activities around campus, so we ask that anyone picking up campers outside of the designated times go to the front desk in the Inn. The front desk will be able to contact the correct age group who will bring the camper(s) and their belongings to the Inn.

GENERAL INFORMATION

CAMP STAFF

Most of our counselors major in fields such as Education, Recreation, and Social Work. Not only do many of our counselors return year-after-year, but we also have many staff who were once campers themselves.

BEHAVIOR CODE

The Silver Bay programs follow the YMCA behavioral code of honesty, caring, respect, and responsibility. All campers are responsible for following these basic rules of conduct as well as any other camp guidelines as determined by Silver Bay YMCA Staff in order to promote a safe, healthy camp atmosphere for both campers and staff members. Silver Bay reserves the right to contact parents/guardians in situations where a camper is unable to follow these basic guidelines. Further misconduct by the camper could result in a dismissal from the program with no refund. All parents/guardians and campers will be asked to sign a Behavioral Contract when registering for camp.

IMPORTANT REMINDER

Unless the Legal Custody Form is uploaded on the Silver Camp registration portal stating that a parent is not allowed contact with a child, staff is NOT legally able to keep a non-custodial parent from picking up their child. Please upload the legal custodial document with your registration.

ATTIRE & BELONGINGS

Our campers spend most of their time outdoors participating in active games. It is important that they are prepared for the day. A newsletter, the Silver Camp Breeze, will be available weekly and will list all of the special events and activities that your child will be doing that week.

PLEASE LABEL ALL ITEMS WITH YOUR CHILD'S NAME.

Here is a list of recommended items your child should bring with them

DAILY:

Water Bottle, Sneakers, Sunscreen, Bug Spray, Towel & Bathing Suit, Sweatshirt, Backpack or Tote Bag.

OPTIONAL: Hat/visor, rain jacket and boots.

Flip flops/sandals may be worn ONLY during beach day or when walking to/from swim lessons.

Campers should also leave all electronics and valuables at home as the YMCA is not responsible for lost, damaged, or stolen items.

Please be aware that many camp activities are messy and/or are done outside so have your camper dress accordingly. We recommend your child not wear their best clothing, play clothes are more appropriate.

MEDICAL INFORMATION

As a part of the registration process you will be required to upload your child's most recent immunization and physical records from their physician's office.

While we respect individual preferences and religious beliefs as relates to not administering vaccinations for their children, we will require proof of vaccinations, including the MMR vaccination for Measles for all children who wish to be registered in our day camp.

Prescription medications must be in their original containers with labeling that includes:

- Complete name of patient
- Date prescription was filled
- Expiration date
- Directions for use/precautions (if any) and storage (if any)
- Dispensing pharmacy name & address
- Name of physician prescribing medication

All campers' medication must be accompanied by a patient-specific written order from a licensed prescriber.

Parents are responsible for bringing campers' medications to the Health Office. Camp counselors cannot accept medications including inhalers and epi pens.

CAMP STAFF CANNOT DISPENSE MEDICATIONS.

All campers must be able to self-dispense medications.

Campers with special needs or behavioral concerns should include this information when registering.

Although we try to accommodate all children in camp, Silver Bay YMCA is not a special needs camp and may not have the resources or available staff to meet the needs of all children.

In case of a medical emergency: parents/guardians will be notified immediately—if they are not easily reached staff will call the emergency contacts listed on the camper's enrollment form.

ABOUT CHILD WATCH

Child Watch is intended to provide a fun and safe environment for children while allowing their caretakers to take advantage of Silver Bay programs and have some time for themselves. Those providing supervision during Child Watch will still undergo the same quality of rigorous training as our camp staff and will be prepared to respond to any emergencies. Child Watch can be compared to group babysitting in that kids will have options for enrichment and entertainment under the care of professionals. The primary difference from camp is the more limited range of activities.

Kids in Child Watch will remain in their respective locations and will not be traveling to other program areas or going swimming. Children based in the Pavilion can expect to have free play, playground time, story and song time, as well as games and arts & crafts options. Children based in Fischer Gym will have sports activities, group games, some arts & crafts options, as well as the flexibility to read or play on their own devices.
