

Praising God for 75 Years Donation Guide

We are asking families to consider a monthly donation for the year of 2027. These donations will go towards discounting summer camp sessions for 2027 campers in order to open our doors to more families.

We are seeking financial support that will allow more children into Camp to experience the Christ-centered programming which, through Jesus, has changed so many lives. Donations will also be allocated towards improvements to our facilities and programs in order to better serve campers, church groups, and other visitors.

The main content area is white and titled "Donation Options". It includes a thank you message and a section for the "Celebration Campaign". The campaign description states that donations will benefit 2027 campers by discounting summer camp sessions. A "Praising God for 75 Years!" link is highlighted with a blue arrow. Below the link, there is a text box for the donation amount, a "Suggested Amounts" section with buttons for \$75.00, \$100.00, \$150.00, \$200.00, \$345.00, and \$500.00, and a "Comments" text area.

3. Enter the amount that you wish to donate each month, or select from the suggested amounts. We have started our suggested amounts at \$75/month to commemorate the anniversary that we are celebrating.
