2026

2026

***What is Adventure Challenge?
Sessions 2,3,4,5,6,7,8
Grades 8 and Up!***

- **The Goal:** Squad up, strategize, and build unbreakable bonds while competing in intense, team-based challenges.
- **The Vibe:** Think Survivor team trials meets The Amazing Race, with an Anokijig twist that prioritizes cooperation over solo success.

Adventure Challenge replaces both skill periods for the session; participants still enjoy all free time.

- **What do you do at Adventure Challenge?** You will build, destroy, solve, and compete side-by-side to become the 2026 champions.
- **Be Prepared:** Expect to get seriously wet with physical challenges in the great outdoors.
- **Swimming:** Being a "Blue Swimmer" is encouraged for full participation, but not mandatory.
- **Packing Essentials:**
 - Gear that can handle getting soaked.
 - Mandatory closed-toed shoes for all events.

What We Provide: All specialized equipment.
