LOST-N-FOUND

We will hold lost-n-found items for one week. If you call us, we will make every effort to return a lost item. To do this, we must package the item and drive it to town for shipping. This requires extensive staff time so there will be a \$5.00 fee for shipping and handling, plus C.O.D. or other postage charges.

PLEASE NOTE: We do our best to return all lost articles, but Camp Anokijig cannot assume the responsibility for lost or damaged property.

Parking is available in our main parking lot or in open roadway areas near the cabins and living areas.

When parking in living areas, it is essential that vehicles are parked such that access is maintained for emergency vehicles to pass and that campers obey all posted signs.

Driving and parking off of designated roadways is prohibited.

Drivers in camp must also maintain a speed of 5 mph or less and will yield to pedestrians and horses.

Transportation within camp must be limited to vehicles designed for such use and equipped with all appropriate safety devices.

APPLICANTS PARTICIPATION WAIVER

- Friends of Camp Anokijig (FOCA) and Camp Anokijig do not cover guests health and medical expenses. Healthcare expenses are the responsibility of each camper/guest and his/her insurance carrier.
- By participating in camp programs, permission is granted for FOCA and Camp Anokijig to use photos, videos, voice recordings, and images taken of guests for purposes which the FOCA and Camp Anokijig may deem appropriate.
- FOCA, its officers, directors, agents, board members, and employees, and Camp Anokijig, its directors, employees, members, staff, and volunteers are not responsible for lost, damaged, or stolen articles.
- State Codes require Anokijig to maintain a guest list with addresses and contact information. Names, address, phone, & e-mail of all guests will be provided at the time of arrival or earlier.
- Behavioral Supervision of minors is the sole responsibility of parents/party leaders. At least 1 adult is expected to accompany minor children to any program/living areas or activity; 2 adults are required for 5 or more children.
- Family/party will be responsible to reimburse Camp Anokijig for any damages (losses) or alterations, malicious or otherwise, caused by the party's members or their guests and also understands that material and/or labor will be figured at current market "full replacement costs"; plus \$150.00 per incident.
- All participants will be required to abide by all of the "Camp Anokijig Regulations & Safety Rules" (listed on the final page of this guide).
- By participating in this program it will be assumed that I and my family members/party members waive any claims against, indemnify, and hold harmless FOCA, its officers, directors, agents, board members, and employees, Camp Anokijig, its directors, employees, members, staff and volunteers for injuries, damages, or losses that may result from occurrences on the property of Camp Anokijig, as well as the conduct of other persons including participants in the Camp Anokijig programs, FOCA, Camp Anokijig, its board members, directors, officers, agents, employees, staff, and volunteers.
- Although Camp Anokijig will take reasonable care to prevent transmission we cannot guarantee that a participant will not become infected with a communicable disease or condition, including but not limited to COVID-19 or any variants of COVID-19 ("Viruses"). In completing and submitting the Participation waiver the participant voluntarily assume the risk that themselves or their children may be exposed to or infected with a Virus by participation in camp activities and otherwise; and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to a Virus at Camp Anokijig may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Camp Anokijig's employees, volunteers, and program participants and their families.

CAMP ANOKIJIG REGULATIONS & SAFETY RULES

- To maintain the natural beauty of the camp, do not peel birch bark, move rocks, chop trees, pick flowers or otherwise deface any part of the natural setting. Please be aware that the Wisconsin State Law protects many wild flowers and certain plants may be harmful to one's health and well being. Example: Poison Ivy, stinging nettle, etc.
- For the comfort of all guests, please observe the quiet hours between 10 pm and 7 am.
- Do not remove any dishware from Western Lodge.
- Do not move any tables in Western Lodge without permission of the management. Do not move or remove any furniture in any housing units without the permission of the management. If permission is granted, all must be returned to their original positions at the end of the weekend.
- All groups and activities will operate in accordance with all local and state laws, regulations, and codes. Groups will be responsible for leaving camp in a clean and orderly fashion.
- Since the camp property is 396 acres and alien to many, it is well to remember to advise participants not to go off on their own.
- No swimming, boating, or water activities except in specified places/times and with the permission of the Camp Management.
- No children are allowed on the piers without adult supervision by the group or its members.
- For watercraft activities, ALL participants must wear an approved life jacket.
- Participants are not allowed in the boathouse without the camp waterfront staff.
- Only aluminum watercraft may be beached on Optimist Island.
- No horseback riding or being in the barns/stable/corral or around the horses without the permission of the Camp Management.
- Do not throw ashes in trash barrels.
- Campfires must be supervised by an adult and not left unattended. Campfires are allowed in designated areas only. Campfires should be built no higher than the radius of the campfire ring.
- Please do not throw aluminum cans or unburnable materials into the campfires.
- Use of all program equipment and program areas must be cleared with the camp management.
- Please report all damage to camp property and equipment to the camp management.
- The State of Wisconsin has established a ban on bringing firewood into Wisconsin from other States and discourages movement between counties. Firewood may be obtained locally or from the Camp Management. With regard to campfires, do not bring in any construction lumber, wood pallets, left over pieces of project lumber, or used lumber from other locations without permission of the camp management.

We hope this guide has been helpful in your planning and preparations to join us for Anokijig Family Camp 2026. If you have any additional questions or concerns, please contact

Dear Anokijig Family Camp Families,

Welcome to Memorial Day Family Weekend 2026. We hope you are ready to make history... This is Anokijig's 100th Anniversary! We are pleased that you decided to join us and be part of our wonderful community. We are looking forward to your arrival and the opportunity to serve your family, reconnect, and reminisce. Anokijig has a long and rich history of providing outdoor experiences that nurture personal growth, through positive values, great adventures, and outrageous fun. Please take some time to read through this packet to learn about a ton of details that will make your stay successful and memorable.

We will have the programs running, the weather report is looking clear (but maybe a bit on the chilly side) and there is lots to do in camp!

We hope you are ready for an outrageously fun and authentic Camp Anokijig Family Camp Experience. If you have any questions please don't hesitate to contact us at:

anokijig@anokijig.net or 920-893-0782.

Darin Holden—Executive Director.

Healthy Camp

A Quick note to consider. Anokijig survived through the recent pandemic because our campers and staff cared enough for others to follow a list of increased health protocols. Those restrictions are now in our past however our culture of concern for others in our community remains, as always. Arriving as healthy as possible is the first key to having Anokijig truly remain running as "normal". No vaccinations are Required for participation however, we **highly** recommend vaccination for all major communicable diseases. As with other facilities, like day cares and schools, we ask that for the health and safety of all; if you or someone in your party is experiencing symptoms of any communicable disease, or has had recent contact with someone diagnosed with one, please chose not to attend. If this is the case, we would be happy to welcome a visit from you at sometime in the future; we are here year-round. With everyone taking this care and commitment, we hope to have a safe and rewarding weekend and summer for everyone

If someone in your party is experiencing symptoms of a communicable disease, had a temperature greater than 100.4°F within 72 hours of arrival, or has been recently exposed to someone that is positive for a communicable disease, we ask that they stay home, and come visit another time.

- Drones
- Use of bicycles limited to main camp road.

If our staff suspects that anyone is in possession of any item we deem in-appropriate, the camp management will have the right to confiscate the items and/or dismiss the owner from the property.

Camp cannot be held responsible for the loss or damage of any personal items.

HEALTH AND SAFETY—Family camp adults are responsible for the healthcare and first aid of those in their party while at camp. Including supplies and medications as well as securing those items in a safe manner way from children. It is advised that at least one family leader be aware of any health conditions of their party. In addition it is required to have a signed 'permission to treat' statements for any minors whose guardians are not in attendance.

In the event of a health care **emergency** notify the camp staff at any program area, camp office, kitchen, or staff housing area for assistance. Many Anokijig weekend staff are certified in emergency first aid, and CPR. Further there is an AED located in the Western lodge registration area.

Anokijig is served by the Sheboygan County 911 system with very quick response time by first responders and paramedic ambulance. However if 911 is called please be sure to contact the camp staff for assistance in getting the responders to your location at camp.

In order to maintain the health, safety, and quality of our camp and our campers' experience Camp Anokijig Management reserves the right to deny entry, restrict or deny use of facilities and programs, or remove from the property any person who's behavior they deem inappropriate or that may present a risk.

REFUNDS/CANCELATIONS

There will be no refunds of any fees for any reason once the members of your party are checked into camp. Family members or members of your party who depart prior to the end of their scheduled camp period due to any reason, events, or for disruptive behavior as determined by the Camp Director, will not receive any refund of fees. Doctor's excuses are required for any medical-related refund requests. To qualify for **any** refund, (other than for medical reasons) cancelations must be made at least two weeks prior to arrival.

EMERGENCY PROCEDURES Although Anokijig has an impeccable safety record, emergency situations can arise. In the event of most types of emergencies, there are plans in place to ensure the safety of our patrons that our fulltime staff have been trained to implement. Please take note of the following situations and instructions and consider it your orientation to safety procedures at Anokijig.

Emergency Notification: In the case of an emergency were it is important to move our guests to safety, we will activate our emergency siren located at the boat house (sounds like an old fashion police siren). If this is activated, please move as safely as possible to Western Lodge and await staff instructions. In the event of a loss of power, the camp bell will be continuously rung to signify an emergency. Please instruct all children that a siren means—go to Western Lodge.

Lost Child: Notify a camp staff member with a description, name, and last seen location. The camp staff will then assist in a search with our communication systems and siren if necessary.

Unknown Intruder: In the case that you see someone that looks suspicious or out of place, note their location and description and notify any staff member. Then follow their instructions.

Armed Intruder: In the case that you see someone armed in camp, note their location and description and notify any staff member. Then follow their instructions.

Fire: In the case that a fire gets out of control, there are hoses located near each fire ring and extinguishers in all cabin areas. Use these to allow yourself to safely exit and move to a save location, then notify the camp staff.

Weather Emergency: In the case that there is severe weather approaching, the local sheriff department does notify Anokijig and our office does monitor several online weather services. If a warning is received, the main form of communication is our siren. Please move safely and calmly to Western Lodge where severe storm shelter is available.

For All Emergencies: Contact the camp staff and follow their instructions.

Smoking in any form is not permitted in any of the camp housing, program areas, or buildings.
