A WORD ABOUT ANOKIJIG

Your choice of Anokijig was probably influenced by the wide variety of activities that are offered and the quality of staff and programs. Great emphasis is placed on these elements plus our programs are based on our mission objectives of **new friends, positive values, personal growth, great adventures, and outrageous fun.**

Our Mission:

"To provide youth and families with an outdoor setting and community that is dedicated to the development of positive lifestyles based on respectful principles and values, while learning new skills, experiencing personal growth, having outrageous fun, and developing an appreciation for our natural environment. "

To serve this mission Camp Anokijig has adopted the concept of the 40 developmental assets as described by the Search Institute. Specifically we hope your child will get the following out of involvement in the Anokijig program:

- ☐ Campers should experience support and belonging through positive adult and peer leadership relationships.
- ☐ Campers should feel empowered through opportunities to serve others, plan, choose, and lead in a safe environment.
- ☐ Campers should experience consistent boundaries and high expectations with positive peer relationships, opportunities to excel and improve, and clear rules and consequences.

- ☐ Campers should increase their desire to learn and experience new skills and activities.
- ☐ Campers should show an increased awareness and demonstration of positive character traits (values).
- ☐ Campers should increase their social competencies through positive decision making, improved friendship skills, and the ability to choose socially acceptable forms of behavior.

CAMPER BEHAVIOR CONTRACT

Included in the required camper forms is a form that outlines our expectations of behavior for all campers. Please review this policy with your camper, checking off that both parent and camper have read and understand each behavior expectation for their time at camp. Have your camper add their printed signature along with yours at the bottom. Please contact our business office with any questions.

CONVERSATIONAL ENGLISH

Camp Anokijig welcomes campers from all walks of life but does not offer interpreter or bilingual services. For the safety of campers, each child is expected to be fluent in conversational English.

HOMESICKNESS

Homesickness is a normal experience for children at any camp. Homesickness usually subsides when campers become more comfortable with their surroundings. On average, most kids at camp will overcome any anxiety or homesickness within 24-36 hours. Please be assured a homesick camper is not left to navigate this alone. Camp Staff at multiple levels make special efforts to talk with and counsel campers experiencing homesickness. Campers are kept busy in the camp programs where they can redirect their thoughts and feel a part of the group. If your child writes and says they are homesick, please feel free to call the camp office so that we can give you an update on how they are doing since they wrote. Please be assured that you will be called and consulted if your child's homesickness does not subside in a workable timeframe or is extreme.

PHONE USAGE

In today's "plugged-in" world, we know a child's phone is often a lifeline to the world for them and can be a source of comfort and reassurance for their parents. However, at Camp, part of the value of the experience is to test and practice one's ability to make new friends, have new types of interactions, and gain independence in a safe and secure environment. We find making calls home distracts immensely from each of these goals and can also trigger homesickness. Cell phones are likely targets for abuse and theft and their use can cause disruptions in programs. Therefore, possession and use of cell phones by campers is prohibited and any personal telephone devices or electronic communication devices will be confiscated and returned at the end of the session. Campers are also generally discouraged from using the office phone; however, if you need to contact your child or get an update on their progress feel free to call the Office at any time.

CANCELLATIONS

Each session of summer camp requires a separate \$200 nonrefundable/nontransferable deposit. To qualify for **any** refund, cancellations must be made at least **six** weeks prior to arrival. Cancellations are not valid until confirmed in writing by Camp Anokijig. Doctor's excuses are required for any medical-related circumstances.

EARLY DEPARTURES/REFUNDS

There will be no refunds of any fees for any reason once the camper is checked in to camp. Campers who depart prior to the end of their scheduled camp period due to homesickness, events outside of camp, or a violation of the **Camper Behavior Contract** will not receive any refund of fees.

CANCELED BUS OR DAY TRIPS BY PARENTS

No refunds will be given for cancellation of scheduled bus transport or day trip participation fees within two weeks of departure.

SPECIAL DIETARY ACCOMMODATIONS

We have limited ability to handle special diet needs; Parents can sign up their campers for a Special Meal Plan, which include substitute entrée food choices during the registration process or by updating their camper's information on your family account a minimum of 2wk prior to arrival. Due to the higher cost of many specialty ingredients, a \$25 per session fee is charged for Vegetarian, Gluten-Free, Vegan, and Dairy Free, meal plans.

VISITS

Family visitors are always welcome at camp, but the best time to view the facilities is during individual tours prior to start of session. Please be aware that, for some campers, a mid-session visit could increase the chances of homesickness. **In all cases, for the security of our campers:** all visitors to camp must first check in at the camp office on the top floor of Centennial Lodge and be prepared to show a picture ID.

Please note only those people designated by name on the confidential form will be allowed contact with your camper (phone calls, visits, pick-up privileges at camp or the bus stop). Please be sure to list yourself as a pick-up person. For any changes, a custodial parent/legal guardian must give permission directly to the Camp Office. You can do this up to 24 hours prior to departure through your family account under the individual camper's information or call the camp office for any changes within 24 hours of your camper's departure from camp. Please advise us if there are any persons who should **NOT** be in contact with your camper on your campers Camper Confidential Form or by c.

CAMPER MAIL/PACKAGES

Campers receive mail at the daily mail call after lunch. We encourage you to write often but be aware of what you write. Avoid things that could possibly make your camper homesick such as telling how much his/her dog misses him, etc. We recommend packing several pre-addressed/stamped envelopes for your camper to write to you. Please note multi-week campers may change living sections. Call the business office for updates. Due to limited storage space,

Regular Postal Letters:

(Camper's Name)
(Housing Section)
Camp Anokijig
W5639 Anokijig Lane
Plymouth, WI 53073-2879

Please **do not send or bring Food or Snack Care Packages to camp.** (In the camp environment, these packages tend to cause problems amongst tent-mates as well as attract many unwanted animal visitors into living areas). We serve 3 well-balanced, delicious meals daily and up to four snacks are allowed from the camp store per day. We encourage non-food packages! Activity books, travel games, small toys, cards, etc. are great choices.

Any food and drinks that are brought or sent to camp will be confiscated and be disposed of.

Thank you for your cooperation; this is an important issue for your child's safety.

CAMPER E-MAIL

We offer email to and from campers only through the Bunk1Notes and Bunk1Replies service. Bunk1.com is an independent internet company providing a system for parents to conveniently send and receive emails in a way that doesn't tax the camp computer systems. Emails arrive at camp once daily at 5am and are printed and delivered at rest hour (1:30 pm) Monday-Friday. If parents attach a Reply page the campers are encouraged daily to complete them and turn it in to the office.. Replies are processed through Bunk1 from camp each evening Mon-Thurs. generally between 8pm-10pm but can be later. Please refer to the last page of this packet for costs and further details. PLEASE NOTE: Emails will only be delivered through the Bunk1 service. Don't worry if your camper doesn't write often though. If you don't hear from your camper, most often the excuse is "I'm just too busy having fun!"

CAMPER HEALTH

Our Health form does not **require** a doctor's physical exam however if your child has significant medical issues we do encourage that you consult with your child's doctor to be sure our program is appropriate for them. Arriving as healthy as possible is the first key to having Anokijig truly remain running as "normal". No vaccinations are Required for participation however, we **highly** recommend vaccination for all major communicable diseases. At Anokijig we continue a long standing practice of focusing on symptoms. Campers and staff are screened for sickness and injury upon arrival. As with other facilities like day cares and schools, we ask that for the health and safety of all; if your camper experiences symptoms of any communicable disease, or has contact with someone diagnosed with one, within 10 days of their session; please keep them home. In these cases, we will gladly do our best to reschedule your child's stay once they are healthy or return your fee with a doctor excuse. If a child arrives with symptoms they will not be allowed to stay. With everyone taking this care and commitment we hope to have a safe and rewarding summer for everyone

HEALTH SUPERVISOR

Anokijig provides 24-hour health supervision for minor illnesses and basic first aid. The parents or guardians will be notified and kept informed if your child requires a 24-hour stay at the infirmary or a visit to the doctor.

ALL MEDICATIONS MUST BE IN THE PRESCRIPTION BOTTLE, CLEARLY LABELED, WITH THE PRESCRIPTION IN THE CAMPER'S NAME, FROM THE DOCTOR ON THE BOTTLE.

Turn all medications in to the Camp medical staff upon arrival. No medication, supplement, etc. of any kind is allowed to be stored outside of the Health Lodge without permission of the health supervisor. Prescription medicines may only be dispensed to the issued camper name printed on the prescription bottle; according to the Physician's instructions.

Please **DO NOT** bring a daily pill organizer. **It is illegal for Camp personnel** to dispense medications that are not in the original container. A medication form must be filled out with all medications the camper will be regularly taking while at camp, noting times during the day to administer and any specific instructions. Non-prescription medications will be dispensed daily per instructions provided by the parent on the Health/Medical form or per camp standing orders when needed for occasional treatment. Please pick up your child's remaining medications during the check out process. Camp cannot be responsible for medications left behind.

INSURANCE COVERAGE AND INFORMATION REQUIRED

Camp Anokijig does not carry camper health and accident insurance. Medical bills incurred will be mailed to the address listed on the Health History form unless a copy of the complete current insurance information is included (copy of both sides of the insurance card preferred). Parents must pay for any new medicine obtained for their camper while at camp.

STAYING THE WEEKEND/LAUNDRY “CARRYOVER”

Campers enjoying more than one week may stay over the weekend for an additional \$135.00. Basic laundry services and unique camp activities (like a Sunday trip to the Plymouth Aquatic Center) are included in the Carryover fee. Signed up for multiple weeks and forgot to sign up for the weekend? Just give the office a call or email and we'll add your camper to the list!

CLOTHING AND PERSONAL ITEM LABELING

We recommend all clothing, luggage, and personal items be clearly labeled or marked with your camper's name.

LOST-N-FOUND

We will hold lost and found items for one week from the end of each weekly session. If your camper leaves something behind, please complete our online Lost and Found form found on anokijig.com under the “summer camp” tab. If you fill out the form online, we will make every effort to return a lost item. To do this we must locate the item, package the item and drive it to town for shipping. This requires extensive staff time so there will be a \$5.00 fee for shipping and handling in addition to cost of postage. Please complete our online Lost and Found form found on anokijig.com under the “summer camp” tab. If you fill out the form online, we will make every effort to return a lost item.

PROHIBITED ITEMS

To insure that all our campers have a positive and safe experience, we ask you take a few minutes to inspect your child's/ children's bag so no inappropriate items are brought to camp. Prohibited items include:

- Knives
- Matches/lighters
- Laser pointers
- Tobacco/alcohol/drugs
- Fireworks
- Squirt guns
- Food/gum/candy/soda/snacks
- Weapons
- Cell phones
- Electronic entertainment devices, music, gaming, etc.
- Electronic communication devices such as computers, iPads, tablets, electronic books, phones, etc.
- Pets/animals
- Personal sporting equipment—i.e. shooting sports equipment, archery equipment, etc.
- Personal vehicles
- Inappropriate or offensive clothing

If our staff suspects a child is in possession of any item we deem inappropriate, the camp management will have the authority to search the child's belongings including locked luggage. Possession of such items may result in dismissal from camp. We also ask that offensive, negative clothing not be brought to camp. If such items are worn, the staff will require the camper to change clothing. Camp will not be held responsible for the loss or damage of personal items.

NOTE: A duffle bag or low plastic storage container works well for storage of clothing and personal items under bunks. There is approximately 10-12" clearance under bunks.

PHOTOS

Most parents love to see photos of their campers at camp as capturing those memories is special. We take weekly sectional photos of your child's whole section which you can view at this link: www.bunk1.com. This is the same site we use for email. **(Please note: to use the email service, you need to purchase credits from Bunk1. However, to view the photos you do NOT need credits. When you login, look to the bottom of the page for the \$0 cost photo viewing option.)** We have a photographer who will travel around camp throughout the session. A subset of their photos are uploaded to our Facebook and Instagram pages daily (generally 6-10 photos). Photos taken throughout the week will be uploaded on Bunk1 typically within a week after the session ends (usually about 500+ pictures per session). When you're out in the woods internet isn't like at home. If you are old enough to remember dial-up, we are often not far off. To complete the upload of a session's photos can take up to a week. We thank you for your patience. In addition, we strive to get a wide variety of photos in multiple places in camp at varying times. It is our goal to get all of the campers into some of the photos, including your camper. However, we don't record who is being photographed. Unfortunately, as hard as we try, some campers seem to be very elusive to the camera. It's our hope that you'll see them but it is not always the case.

It should not be an expectation to see photos of your child on a daily basis. They'll tell you all about their outrageous Anokijig experience on the way home!

TRADING POST/CAMP BANK ACCOUNT

The Trading Post is our camp store. Campers may purchase snacks (i.e. soda, ice cream, candy bars; priced at \$0.50 to \$5.00 per item), souvenirs (i.e. t-shirts, hats, stuffed animals, sweatshirts, jackets; priced at \$5.00 to \$30.00+ per item), and miscellaneous items (i.e. postcards, stamps, batteries, toiletries; priced at \$0.50 to \$8.00). Campers are limited to 4 snack items per day. We ask campers not to carry cash during their stay so purchases will be deducted from the campers' Camp Bank Trading Post account. In order to keep camper accounts accurate, campers are not allowed to buy for others.

Most activities at Camp are included in the fee with the exception of the following activities:

- Horse trail rides during directed free periods - \$10.00 or \$12.00 each ride
- Craft projects – Free to \$7.00 (depending on supplies needed)
- Digital Photo- Free to \$5.00 for photo printing

The Trading Post is open several times during the camp day as well as during Sunday Check-in and Saturday Check-out periods. Cash or Credit Card sales are available on Saturdays and Sundays. Most items are available through our online store if you would like to preview prior to arrival. Visit anokijig-tradingpost.company.site

NOTE: Intact mosquito nets are provided on the bed of your camper prior to arrival. Your camper is responsible for any damage occurring to the net during their stay (holes, rips, tears, etc). If damaged, the cost of a replacement mosquito net will automatically be deducted from the camper's Trading Post spending account prior to departure.

HOW TO SET UP ACCOUNT

To ensure that money is not lost, we do not allow campers to carry cash. Each camper will have a Trading Post Camp Bank Account to use during their session for purchases at the Trading Post and activities that require additional fees.

We are using Lightspeed, the same system as last season, with an updated and refined process to improve customer experience. By the end of March, you will receive an email with a link, camper information, and directions on how to deposit money into your campers account.

- ★ You can also visit a page on our website that will be updated in March with information on updates to the system compared to last year and detailed instructions on depositing money, loading additional funds, and how to choose what to do with remaining funds after the season ends.

By the end of March, campers who have registered will receive an email with directions on how to access their trading post accounts. Campers who register after March will receive an email with trading post information after the 1st or the 15th of the month they registered in.

RETURN OF UNSPENT CAMP BANK/TRADING POST MONEY

Just before check-out on your campers last day, they will receive a sheet showing the balance left or owed in the Camper Store Account. The Camp store will be open during checkout if you would like to use any balance for purchases.

In the past, many Anokijig campers have generously donated what was left in their camp bank account. This kind gesture has allowed us to make improvements, purchase new supplies, and most importantly to offer scholarships to children who might not otherwise have an opportunity to come to Anokijig. We all know the many benefits of an Anokijig experience but might not realize the never-ending need to make these benefits available to all children.

Please take this opportunity and make a huge difference by participating in the Campership program by donating your balance. Most balances are small, but there are many families involved, so it all adds up. Thank you for sharing the spirit of Anokijig.

If you would like remaining funds to be refunded for accounts with balances over \$5.00, you will fill out the *Trading Post Balance Refund Request* form on our website before August 22nd, 2026. Any account that does not request a refund before August 22nd, 2026 will stay open for online purchases until December 1st and then remaining funds will be donated to our Annual Fund to help children attend Camp Anokijig who might otherwise not have the opportunity, support our volunteer teen leadership program, and help maintain this amazing facility.

Refunds will be processed within the month of September.

Due to the cost of processing, any remaining balance less than \$5.00 will automatically be donated.

Resident Camp General Program

SKILL PERIODS: Campers choose 2 specific daily activities on registration day to learn and enjoy a new skill or become more proficient in a previously learned skill. They go to those skills each morning of the week. The focus is on learning through fun and games.

ALL CAMP ACTIVITIES: Group games, cookouts, campfires, dances, special events, closing ceremonies, and much more.

SECTIONAL ACTIVITIES: Campers who are housed together choose activities to enjoy as a group. This provides an opportunity for each section and their staff to have a great time together doing age appropriate activities.

DIRECTED FREE PERIODS: All the program areas are staffed and supervised for the campers to choose as they please. They stay at one activity for a whole period or visit several areas; it's their choice. This is a first chance at experiencing independence.

SPECIAL EVENTS: Beach Party, Dance, Talent Show, Theme Day, and much more!
