

## Circle Camps Media Release

I, the undersigned parent or legal guardian hereby grant permission to **Circle Camps, Camp Twin Lakes, Emma Kaufmann Camp, or Camp Tapawingo** to photograph, video record, and/or audio record my child during camp programs and activities.

I authorize Circle Camps, Camp Twin Lakes, Emma Kaufmann Camp, or Camp Tapawingo to use, reproduce, distribute, and display such photographs, video, or audio recordings (collectively, "Media") for lawful purposes related to the camp's mission, including but not limited to educational, outreach, fundraising, and marketing efforts. This may include use in print publications, on the camp's website, in email communications, and on social media platforms.

Circle Camps is committed to honoring the dignity, privacy, and emotional well-being of children who have experienced loss. Media will be used thoughtfully and respectfully, and my child's full name or personal story will not be publicly identified in connection with Media without separate, explicit consent.

I understand that:

- This authorization is voluntary and granted without expectation of compensation.
- Media may be edited or used in combination with other content, provided it is not used in a misleading or exploitative manner.
- This authorization remains in effect unless revoked in writing.

### Revocation of Consent (Opt-Out)

I may revoke this authorization at any time by submitting a written request via email to **ED@circlecamps.org** with the subject line "**Media Release Opt-Out**" and my child's name. I understand that revocation will apply only to future use and will not require the removal of Media already published or distributed prior to receipt of the request.

By signing below (or by enrolling my child in camp where this release is presented electronically), I acknowledge that I have read, understand, and voluntarily agree to the terms of this Media Release.
