

DIRECTIONS

Getting Here The Great Lakes Science Center is located at 601 Erieside Avenue, at the foot of East 9th Street and the Shoreway (St. Rt. 2) between the Rock & Roll Hall of Fame and the new Browns Stadium. Look for the OMNIMAX® dome.

From Airport

Take I-71 North to East 9th Street exit. North on East 9th Street. Turn left onto Erieside Avenue.

From Akron

Take I-77 North to East 9th Street exit and stay to your right. Follow signs to East 9th Street. And take East 9th Street North. Turn left onto Erieside Avenue.

From Erie

Take I-90 West (St. Rt. 2) to East 9th Street exit, turn right on East 9th Street and left onto Erieside Avenue.

Dropping off / Picking up participants Parents and guardians dropping off their child for a program may park in our loading zone for no more than 10 minutes. This loading zone is located at the main entrance to the Science Center. All visitors staying for the duration of the program will need to park in our garage, explained below. Parents/guardians picking up their child after a program ends should go to the Information Desk and let a GLSC employee know which program their child is a part of.

Parking

Convenient parking at the Science Center Garage located on the Science Center's west side facing the Browns Stadium. It is a public garage. Parking fees for the garage are determined by ABM. Guests may have their parking ticket validated at the information desk for a discount off the standard parking fee.
