## “RISE UP” WEEK TWO”

---

The Falcons have been in full flight this week at camp. All of the campers are now in the swing of cam and settled into their daily routines. We have truly enjoyed getting to know all of the campers these past two weeks.

This week in Eco-Crafts, the campers made their own soap. This included, choosing the color, scent, and ingredients of the soap. All the Falcons can't wait to use them!

All of our campers have excelled in swimming this week. We are currently reviewing how to float and kick. We are also learning different strokes.

The beautiful Chicago weather has allowed the Falcons to get outside to play on the Rooftop playground during free time. The monkey bars and zip line are a fan favorite!

Our Wednesday field trip took the Falcons to Waveland Bowl. Campers divided up into teams and bowled a game or two. Another adventure of the week included a visit to the Chicago History Museum. On Friday, we enjoyed lunch in the park. “Sweet Home Chicago” week has been a blast.

Hi Camp Families! This week was all about our love for our city Chicago. We did a scavenger hunt at the Chicago History Museum, where we looked at iconic pieces of Chicago history. We also made our own Chicago flags out of our fingerprints, and we colored Chicago sports team coloring pages. This week our field trip was bowling at Waveland Bowling. We had so much fun channeling our inner competitive spirit with the other five-year old groups and showcasing our wonderful bowling skills. To end the week, in Eco-Craft, the Thunderbirds made their own paper-mache bowls.

- 

Don't forget to check out our daily photo feed on Shutterfly!

### Wednesday: Bowling & Chicago History Museum Scavenger Hunt

- The Skylarks went to Waveland bowling and played two rounds of a wonderful game. Most of us almost broke 100 points!
- After lunch we walked to the Chicago History Museum and embarked on a scavenger hunt within the museum to find a famous Chicago food, an old El train, a horse from a carousel, and a picture of President Lincoln.
- Skylarks successfully found all the items on our scavenger list and we celebrated with popsicles!
- To celebrate Chicago, the Skylarks finger-painted Chicago Cubs pictures.

Check out what we did this week!

This week The Firebirds talked a lot about how we are going to treat each other at camp, how we are going to take care of our space at camp, and how we will stay safe. We incorporated everyone's ideas into a "Firebird Promise" that we all signed! On Monday, we teamed up with the Thunderbirds and played parachute games in the park! On Tuesday, we took a stroll to Gaudy Park. On Wednesday, we went on two field trips! The Firebirds tore up the lanes at Waveland Bowl and then after a short rest, we visited our neighbors at the Chicago History Museum. On Thursday we had a busy day! We made an awesome underwater scene with oil pastels and watercolors in Art class and then danced it up with Ms. Lia in Dance class!

## Next week at a glance!

Next week the Firebird's venture to the Brookfield Zoo on Wednesday! Make sure to wear your camp shirts and bring a nut-free bag lunch.
