

SUMMER@LATIN

2019

.....

Introducing your Administrative Team

They support each Age Group Coordinator, and have been planning camp all year long!

Catherine "Cat" Curry
Director of Latin 360°

Morganne Stevens
Associate Director of Latin 360°
Early Childhood Camps Director

Tony Pascolla
Intermediate Camps Director
Grades 3-9, Scitech camps

Chase Mangioni
Program Director
Program staff, Field Trips, Bus

Age Group Coordinators (AGC)

Work closely within each age group, focusing on staff development, program planning, and all-around customer service to all families and campers!

Molly Finch

4 year old Camp Discovery & Navigators AGC

Hello! I am super excited to be working with and meeting the Summer at Latin four-year-old crew! I was a camper at Summer at Latin and have been a Leader in Training and Counselor since 2005; this year will be my first year as an age group coordinator. I am a Latin alumni, attending Latin from Junior Kindergarten through 12th grade. I graduated with a B.A. in Psychology and minors in Education, Chinese Studies, and Religious Studies from Rhodes College in Memphis, TN. This year I have started my Masters in Early Childhood at Concordia University Chicago. I worked abroad for four years at Wuxi International School in Wuxi, Jiangsu, China. I worked with the three-year-old class and toddler classes, as well as being the director of the Kindergarten Department. This year I am an assistant at Latin in the Junior Kindergarten classroom and coach middle school field hockey and softball. I am so excited for a fantastic summer together and creating great memories for our campers!

Erika Katz

5 year old Navigators AGC

This is my ninth summer at Summer at Latin. I'm excited to share my love of the outdoors, swimming, and BBQ's with the campers. My favorite thing about camp is meeting new people and seeing the happiness on each campers' face. I earned my undergraduate degree from the University of Arizona in Elementary Education, and later received my Masters from DePaul University in Early Childhood. During the school year, I am a Junior Kindergarten Teacher at Latin. I was born and raised in Kansas City, and now love living in the windy city! In my free time, I spend time with friends and family and enjoy traveling the world. I hope the next visit is Australia or Thailand!

Yanira "Yaya" Burgos

1st Grade Voyagers AGC

I started as a junior counselor at Latin in the summer of 2012 after my freshman year of college. I have since served as Senior Counselor, Intermediate Director and part-time Co-Director of the Summer Extended Day Program. I currently work as an Assistant Teacher at the Latin School. In my spare time, I enjoy reading literature on how the mind works, exploring neighborhoods by foot and public transportation as well as dog walking and meeting new people. I am a Chicago native who grew up in Wicker and Humboldt Parks. Fun fact: My ancestors are of Taíno, African American and Spanish descent.

Jon Wong

2nd Grade Voyagers AGC

This will be my second summer working at Chicago Latin's Summer Camp, first year as an age group coordinator. I currently am working on getting my degree in Sociology at Roosevelt University, while serving as a coach year-round for Latin's Swim and Water Polo club, as well as head coaching for the High School Girls Water Polo team. Previously I have worked as a camp supervisor for the East Bank Club summer camps.

Janyl Romero

Adventurers AGC

I'm currently a barista at Peet's coffee in the morning as well as a Team Leader for 1st - 4th grade extended day at Latin School of Chicago. I'm originally from Santa Fe, New Mexico but moved to the midwest to pursue my bachelors degree. I graduated from Knox College in 2017 where I majored in History and minored in Educational Policy. Graduate school along with teaching are both on my mind and hopefully in the near future. This will be my second official summer in the city of Chicago but my fifth summer with Summer at Latin. In my free time you can usually find me at a sporting event whether it be the Chicago Blackhawks or the Chicago Cubs!

Will

Doran

Explorers, Trekker and LIT AGC

I was born and raised in Western Springs, Illinois, a suburb of Chicago. After receiving my BA in English Literature from the University of Illinois, I worked as a recruiter before I decided to teach English in South Korea for 2 ½ years. I subbed at Latin before becoming an assistant teacher during the year while working on my master's in elementary education at National Louis. I spent the best 5 summers doing the Trekker program at Summer at Latin as senior counselor and then director. I'm an avid bicyclist and always excited to learn about new rides around Chicago. I love to read, especially novels and science fiction lately. I enjoy traveling, history, architecture and photography.

Ryan MacLeod

SciTech Camps & Sports Camps

My name is Ryan MacLeod and I am currently a 3rd grade Assistant Teacher at Latin. I earned my Bachelors Degree in Educational Group Social Studies and am currently taking graduate classes in Educational Technology. I have always enjoyed learning about the newest technology and how to incorporate it into education. I'm excited to be a part of the Science and Technology Camp at Latin this summer!

Scott Marinier

Camp Trekker AGC

Scott is excited to be entering his fourth year as a Summer at Latin staff member. After two summers as a Senior Counselor in the Trekker group, Scott looks forward to his second year as the Age Group Coordinator for Trekker Camps. During the school year, Scott is a Lower School Physical Education teacher at Latin. Outside the classroom, he enjoys coaching various sports in the lower, middle and upper Schools. In his free time, Scott enjoys spending time with his wife and family, as well as cheering on Chicago sports and cooking on his grill. Scott is looking forward to another fun filled summer at Latin.
