Frequently Asked Questions

How do I upload my physician clearance form in Ultracamp?

See [our website](#) for instructions.

My parents think camp sounds fun and want to come, too! Can they visit?

No visitors are allowed during camp sessions but we have work parties to open camp at the beginning of July and to close camp in August. They're great opportunities to share camp with your whole family and help us out at the same time! Food is provided and it's *good*. We'll send more info to the email address we have on file for you.

Parents can also volunteer as full-session staff! We're always on the lookout for energetic volunteers interested in joining the Two Sentinels family for next year! We provide a Tag-a-long unit for boys ages 6 and up and girls ages 6-9 of staff volunteers. Staff register themselves and their kids early. Staff attend camp and all required training free of charge. See our website for more information.

My friend wants to attend camp, too! Is it too late?

Possibly! Have them register NOW if they're interested, as most unit spots are filled within days of registration opening. However, we do everything we can to get as many kids into camp as possible so get on the waiting list!

I'm attending camp alone. What do I do if I don't know anyone?

That's ok! Many campers attend Two Sentinels on their own. If you're especially nervous or have specific concerns, don't hesitate to contact us.

Can I get mail at camp?

Yes! Your family can send postcards and letters to you at this address:

Your Name, Session, Unit
Two Sentinels Girl Scout Camp
P.O. Box 4
Kirkwood, CA 95646

Have your family write early! Mail takes 5-7 days to reach us. Letters sent to the Pleasanton P.O. box will not reach you at camp.

NO PACKAGES. These may seem like a good idea, but we are remote and our post office is very small. Our mail is driven over an hour to our location and is carried into camp by hand so we are not equipped to handle anything bigger than letters. Care packages will be returned to sender.

What if I forget something?

Your parent should call us at the camp number (925-289-9469). We can usually find a replacement at camp right away. For things like prescription medications left at home, do not just send them in the mail (they won't reach us before you go home)--we'll work out a solution with you right away!
