

3 Night Stay Camping Experience Guidelines

All girls participating in the 3 Night Stay are expected to:

- Respect their counselors, fellow campers, their environment, and themselves.
- Participate in all unit activities and make the experience a success for all. This includes helping prepare dinner and keeping the unit clean. These jobs are shared responsibilities for all.
- Be respectful of lights out and considerate of the needs of others.
- Use the buddy system at all times. If someone needs to use the bathroom in the middle of the night, be their buddy!
- Shower buddies stand outside the shower and wait for their buddy by having her towel and pajamas ready to hand her. Do not desert your buddy!
- Always let their counselors know where they are.
- Keep their tent neat and swept each day.
- Not keep food in the tents. (Snacks may be enjoyed inside the lodge in the Fireflies room or the kitchen.)
- Remain in their tents for the entire night (with the exception of using the bathroom or in the event of an emergency). Counselors will wake the girls when it is time to get up in the morning.
- Wear close-toed shoes at all times with the exception of swim and shower time.
- HAVE FUN AND MAKE LASTING MEMORIES AT CAMP!!

Cellphones, iPods, iPads, and other electronic devices are not allowed in camp. If these items are found, they will be held in the Camp Director's office for the remainder of the week to be picked up at check-out on Friday afternoon.
