## Charter Program

Conditions for use of an Optimist for the 2010 season are as follows:

To receive a charter boat for a 2010 Optimist Racing Team session, a completed Charter Program Application must accompany full payment for the lease of the Optimist plus registration and full payment for the session you are registering for. All refunds are subject to our refund policy; you will find a copy of the refund policy on the second page of the Optimist Racing Team registration form.

You agree to maintain the boat and sails, promptly replacing lost or broken fittings and equipment and repairing any damage. You will treat the boat as if you own it, taking care to see that it is properly covered and tied down when not in use, not abused when in use, etc.

After instructions, you will launch and rig the boat when necessary. You will assist with the placement of the boat at the Wayzata Community Sailing Center and care for the boat as if it were your own. For the eight-week race program lease, you will give the boat back on or before September 1, 2010 in the same or better condition than you received it. With a four week lease, the lease expires at the end of each session and the same conditions apply.

You will fully guarantee the boat, equipment, cover, and sail, assuming a value of \$2,500.

For the eight week program, you will participate in the afternoon class of the Wayzata Community Sailing Center's Optimist Dinghy Racing Program from June 14 to August 6 on Mondays through Thursdays, 1:00 PM - 4:00 PM, in regattas on Friday's.

For either or both four week programs, you will participate in the morning class of the Wayzata Community Sailing Center's Optimist Dinghy Racing Program from June 14 to July 9 or July 12 to August 6 on Mondays through Thursdays, 9:00 AM - 12:00 PM, in regattas on Friday's.

You will participate in the regular Wayzata Community Sailing Center Optimist racing schedule after the Head Coach gives you the O.K. for the majority of the remaining races.

You may use the boat at anytime during the lease.

The Wayzata Community Sailing Center may cancel the lease, repossess the boat, and assign it to another student if WCSC determines that the boat has been abused, misused, or not used in accordance with the terms of the lease.

You will indemnify and hold harmless the Wayzata Community Sailing Center and their officers, directors, staff, and members from and against any loss, claim, injury, and other liability arising out of or relating to the boat, and its equipment, its use and participation by you and others who shall sail it in the Wayzata Community Sailing Center sponsored activities and otherwise.
