☀ MBCAMPS

Dear Inspirit AI Scholars students at Moses Brown,

We are excited to meet you in our Inspirit AI program at Moses Brown this summer!

In our AI Scholars program, students will learn fundamental AI programming skills Python and build a mentor-led, socially impactful AI project. During our program, students will explore topics such as regression, computer vision, natural language processing, and more, applying what they've learned to an AI project in a domain of their choosing, such as healthcare, business, or engineering.

Please bring:
- Laptop or Chromebook
- Charger.
- Waterbottle
- Lunch (if not signed up for the lunch program
- Snacks (nut free)

All other materials will be provided.

We look forward to welcoming you this summer!

The Inspirit AI Team
