

Summer, 2026

Dear Parents and Guardians,

I am extremely pleased to welcome your family to the Moses Brown Soccer Camp directed by Proactive, Inc. I am sure that your child/ren will find the program both interesting and fun. The camp will be coached by Paul Janaway and his team of coaches. A t-shirt will be provided to each participant.

The daily schedule will be 8:30am - 3:00 pm (Full Day) and 8:30 am - 12:00 pm or 12 - 3 p.m. (Half Day). You will have a coach assigned to your child and a group for the week. That coach will sign in and sign out children be they half or full day. It is extremely important that everyone arrives on time for pick up and drop off to ensure best use of the practice times.

All campers will need to dress appropriately for the weather. It is always advisable to have an extra shirt and a light jacket/sweatshirt in your bag just in case you need to change or in case of rain. All campers should bring hats and sunscreen (please apply sunscreen at home first and send for reapplication). Campers are also required to bring drinks to prevent dehydration. Water is the best for re-hydrating and plenty of it! Please bring at least **two refillable water bottles** labeled with the camper's name. If you are staying full day or are in soccer for the afternoon, you will need a lunch & snacks. Half day mornings, just water and snacks. PLEASE PUT FOOD IN SEALABLE HARD CONTAINERS TO DETER THE SQUIRRELS!

As for equipment...Campers must have soccer cleats, shin guards and should be appropriately dressed for playing. In the event of rain, sneakers should be brought to camp.

I look forward to meeting you at camp and know that you are going to have a great time! Please do not hesitate to contact me at lpbj18@me.com (please put Soccer Camp in the subject box) should you have any questions. We are in this together and let us get outdoors and have some fun!

Yours in soccer,
Paul Janaway, Director Proactive Soccer, Inc.
