#### **Packages**

It's exciting to receive a package at Camp! Here are just a few tips for sending packages to camp:

- □ Please do *not* send any food, candy, or gum. We have many campers with special dietary restrictions and want to avoid causing allergic reactions due to food sent to a camper.
  - ☐ We offer **Camp Tekakwitha** *care packages* for you to purchase through Ultracamp or at the beginning of the camp week in the trading post. You pay for the package you want, tell us who your camper is and when you want it delivered, and we take care of the rest!

#### **Emails**

Camper emails are processed through your UltraCamp account. To access this feature, click on "email a camper" in your account. You will need to pay \$1 per email before sending them, and you can create a friend account so family and friends can also send emails!

\*\*Please remember this is a one-way email system only. Campers will not have access to the internet.

#### **CAMP POLICIES**

✓ No Food in the Cabin

Campers come with many dietary needs and stay in close quarters in the cabins. To ensure campers don't eat or inhale foods that may cause an allergic reaction, all food (including candy and gum) sent to camp will be collected and stored in the camp office. Items will be returned at check-out.

Please follow this policy when packing for camp or sending care packages!

✓ Camera Usage

Cameras are allowed at camp, but counselor permission is required before a photo is taken. Cameras cannot be used in the cabin or bathroom/shower areas.
