

We have received your registration for **Allegheny Outback!**. If you are the dependent of a military person, you are confirmed for the above AO!. Please be aware that the \$100 registration fee is non-refundable if you cancel.

To ensure the safety of our campers, all Health Forms must be filled out one week prior to camp.

We will be looking forward to your arrival at **1530 (3:30pm) on Saturday**. Check-in and health screening will occur in front of Heritage House

Since our policy is no late arrivals, please let us know if any unforeseen circumstances prevent your timely arrival. AO!ers can be picked up at **1400 (2:00pm) the following Friday** after lunch. If your family is planning on joining us for lunch that Friday, please coordinate with the front office when you check-in.

Just so you know our expectations up front, **Allegheny Outback!** is a drug, alcohol, and tobacco free activity. We reserve the right to send any participant home who has these substances in their possession. Since this is rarely the case, we can concentrate on the challenges of **AO!** that await us. You will be expected to do the activities in the manner they are instructed and to make a positive contribution to the group. Early evenings and early mornings are part of the **AO!** experience, as well as many other challenges. As long as you come with a good attitude, you'll have no problem.

Most of all, we will seek God's best as we do the many activities. Our hope is that you find your relationship with Jesus Christ to be the most relevant, vital, and exciting relationship in your life. We will definitely seek His help on the ropes course, on the rocks, and on the water!
