CYSC FINAL DETAILS

PACKING LIST: Please follow the packing list carefully. Keep in mind that this is a camp... Thus, daily dress should be practical, simple, comfortable, and modest. Good, comfortable walking shoes or sandals are particularly important; flip-flops are discouraged as they are impractical for this setting.

OPENING & CLOSING DAY SCHEDULES FORM

CAMP STORE / SPENDING MONEY: We will be operating a Camp Store at CYSC. The store will be open once in the afternoon each day for campers to purchase snacks. The store carries candy bars, chips, soda, fresh fruit, granola bars, and other camp items. You can decide as a family how much money you want to send with your child for this purpose, but we would suggest \$15 for the week (\$3/day). We would also suggest that this money be sent in quarters or \$1 bills as the camp store carries limited change. As part of your camp registration fee, your child will be receiving another snack each night after club time.

As part of your camp registration fee, your child will be receiving a CYSC commemorative T-shirt. Additionally, CYSC souvenir apparel will be available for sale. Items available this year include T-shirts, sweatshirts, and other items. Prices range between \$15-\$40. These items will also be available for sale when you bring your child to camp and when you pick up on the final day.

CONCERNING YOUR CHILD'S SAFETY: Please know that all aspects of your child's safety are our number one concern. Accordingly, our professional programming staff are trained and certified in each of their respective areas of responsibility as well as in first aid. Next, we will have a certified nurse as part of the CYSC staff who will attend to all first aid issues, make all medical decisions, and will facilitate the dispensing of all medications throughout camp – you will meet the nurse upon arrival at camp. Finally, CYSC small group counselors, programming staff, clergy, and administrators – those ages 18 and over – have submitted to an Ohio Bureau of Criminal Investigation and Identification (BCI&I) background check and have participated in the protecting God's children workshop as a condition of their being a member of the camp team. (by law minors under the age of 18 cannot be submitted to BCI checks.)

CLERGY: Clergy from around the Columbus, Cleveland, Cincinnati, and Toledo dioceses will be in attendance throughout the week to celebrate daily Mass and to hear confessions.

POLICY REGARDING CELL PHONES AND OTHER ELECTRONIC DEVICES: Electronic devices of any type are forbidden. Please leave these at home. Also, campers will not be permitted to have cell phones. Anyone choosing to bring these items to camp will have them confiscated and returned before leaving camp on the last day.

EMERGENCY CONTACT INFORMATION: We respectfully request that you refrain from contacting your child while they are camp. If your child needs to reach you – for whatever reason – be assured that they will be given access to a phone to call you. In the event that you do need to reach us, please use the following number:
