Bingo Day - Thursday

Bingo day!! If you have any unwanted Christmas gift items from the holidays, please consider donating them to us for a bingo prize! We will be collecting bingo prizes throughout the week and having our big bingo day on Thursday of winter camp.

Discipline policy reminder: There is a three step process for camper discipline. The first visit to the office results in parents informed at carpool. During the second visit, parents will be immediately contacted to speak with their camper. At the third visit, parents will be called to pick up their camper. With our small groups and awesome campers and staff, we rarely have to implement these policies.
