INCLUSION STATEMENT

Paradise Point values and respects the dignity of all individuals, which includes all races, denominations, gender identification, and sexual orientation. We do this by training and educating our staff, notifying all participants of our programming, and reinforcement of these values when necessary. We are inclusive and affirming of trans* and non-binary people (campers, volunteers, and staff). As part of our commitment to inclusivity we use pronouns in introductions.

BALANCE DUES/REFUND/CANCELLATION POLICY

Session balances are due one week before the first day of the registered session. If there is an outstanding balance during the check-in process of that registered session the parent/guardian must either pay in full or set up a payment plan. A \$100 per session non-refundable deposit is due at the time of registration. A \$100 cancellation fee will be charged if a reservation is canceled less than one week before the first day of camp. Due to the challenge of filling spaces, no refunds will be issued on or after the first day of the registered session. In cases of homesickness, dismissal or voluntary withdrawal, no refunds will be issued. All refunds will be processed within 30 days of the last day of the camp season.

CAMPER EXPECTATIONS

All campers at Paradise Point Camp agree to respect camp staff, their fellow campers, wildlife, and the camp property. For their own safety, the safety of others, and for the safekeeping of Paradise Point, campers agree to follow the Paradise Point guidelines as presented on the first day of camp and outlined in this document.

CAMPER SUPERVISION

During Paradise Point Camp's Family Camps it is the responsibility of the parent/guardian/accompanying adult camper to supervise their young camper. Exceptions include specific program time when camp staff will assume the responsibility of supervising young campers (ex: fellowship hour). Paradise Point Camp lifeguards are not responsible for supervising campers on the beach and an adult should be nearby swimmers to provide basic supervision.

MEDICAL CARE

In case of an emergency, arrangements have been made with the St. Luke's McCall Medical Center, which is about eight miles from Camp. If it is determined that a camper needs to visit the doctor's office or emergency room, the camper's insurance is billed.

HEALTH CENTER

While we do not have an on-site health care provider for Family Camps, all staff are trained in CPR/First Aid/AED. The Health Center is available for participant use if accompanied by staff. Over the counter medication and basic first aid supplies are available.

DIETARY NEEDS

Paradise Point Camp is a peanut-free facility. Please do not send or bring any peanuts or peanut items to camp.

It is our desire that all participants be able to experience Paradise Point without concern or anxiety of dietary restrictions. We can meet a variety of dietary restrictions, including vegetarian, gluten, dairy, egg, and nut allergies. To meet the needs of these participants, it is necessary to obtain as much information as possible **prior to the arrival** at camp. List any special dietary needs during the registration process. Please be as specific as possible regarding the exact nature and severity of any allergy or intolerance.

Please note that we will make every effort to accommodate special requests. However, due to our open kitchen that handles the major allergens (gluten, wheat, dairy, nuts, etc...) we cannot guarantee that items will be completely "free" of any ingredient. While Paradise Point works to provide meals which meet these special needs as much as possible, it is the responsibility of the individual to avoid those foods that they are unable to eat. In certain cases, we allow participants to bring some of their own food items, made available to campers at meal and snack times.

ARRIVAL & DEPARTURE
