INCLUSION STATEMENT

Paradise Point Camp values and respects the dignity of all individuals, which includes all races, denominations, gender identification, and sexual orientation. We do this by training and educating our staff, notifying all participants of our programming, and reinforcement of these values when necessary.

BALANCE DUES/REFUND/CANCELLATION POLICY

Session balances are due one week before the first day of the registered session. If there is an outstanding balance during the check-in process of that registered session the parent/guardian must either pay in full or set up a payment plan. A \$25 per-person, per-session non-refundable deposit is due at the time of registration. A \$50 cancellation fee will be charged if a reservation is cancelled less than one week before the first day of camp. Due to the challenge of filling spaces, no refunds will be issued on or after the first day of the registered session. In cases of homesickness, dismissal or voluntary withdrawal, no refunds will be issued. All refunds will be processed within 30 days of the last day of the last camp session.

CAMPER EXPECTATIONS

All campers at Paradise Point Camp agree to respect camp staff, their fellow campers, wildlife, and the camp property. For their own safety, the safety of others, and for the safekeeping of Paradise Point, campers agree to follow the Paradise Point guidelines as presented on the first day of camp and as outlined in this document.

MEDICAL CARE

In case of an emergency, arrangements have been made with the St. Luke's McCall Medical Center, which is about eight miles from Camp. If it is determined that a camper needs to visit the doctor's office or emergency room, the camper's insurance is billed.

HEALTH CENTER

While we do not have an on-site health care provider for Adult Camps, all staff are trained and certified in Red Cross CPR/First Aid/AED. The Health Center is available for participant use if accompanied by the Director or Assistant Director. Over the counter medication and basic first aid supplies are available.

DIETARY NEEDS

Paradise Point Camp is a peanut-free facility. Please do not send or bring any peanuts or peanut items to camp.

It is our desire that all participants be able to experience Paradise Point without concern or anxiety of dietary restrictions. We can work with a variety of dietary restrictions, including vegetarian, gluten, dairy, egg, and nut allergies. To meet the needs of these participants, it is necessary to obtain as much information as possible **prior to the arrival** at camp. During the registration process you are able to list any special dietary needs. Please be as specific as possible regarding the exact nature and severity of any allergy or intolerance.

Please note that we will make every effort to accommodate special requests. However, due to our open kitchen that handles the major allergens (gluten, wheat, dairy, nuts, etc...) we cannot guarantee that items will be completely "free" of any ingredient. While Paradise Point works to provide meals which meet these special needs as much as possible, it is the responsibility of the individual to avoid those foods that they are unable to eat. In certain cases, we allow participants to bring some of their own food items, made available to campers at meal and snack times.

ARRIVAL & DEPARTURE

Please plan to arrive at Paradise Point no earlier than 4:00 PM on the first day of camp. The gate at the top of the driveway will not open before 3:45pm.
